for energy consumers

Benchmark Maximum Charges for the Charge Restriction Period 17b

The data used in this document is not intended for use as an index by reference to which the amount payable under a financial instrument or a financial contract, or the value of a financial instrument, is determined, or as an index that is used to measure the performance of an investment fund with the purpose of tracking the return of such index or of defining the asset allocation of a portfolio or of computing the performance fees.

Such outputs may not be used as a benchmark with the meaning of the EU Benchmark Regulation, UK Benchmark Regulation or otherwise.

All values are exclusive of VAT which is applied by suppliers to consumers bills.

Gas
