| Question date | 19th Sept 2013 | Answer date | 23rd September 2013 |
| Submission section question relates to | Spreadsheet | | |
| Topic | Financial | | |
| Question | The submission spread sheet shows equipment cost totalling of £6,280k. Please provide a description and cost breakdown of the principal items of equipment. | | |
| Notes on question | | | |
| Answer | We have attached a spreadsheet showing the breakdown of equipment costs. This spreadsheet shows a slight variation to the £6,280k figure as contingency is not included. | | |
