Project code:	SPT2005	Question Number	18
Question date	12th Sept 2013	Answer date	17th September 2013
Submission section question relates to	Technical Consultants Meeting		
Topic	Financial		
Question	The External Funding is stated as £722k. However, the individual contributions from the external partners add up to £674.5k. Please explain the difference.		
Notes on question			
Answer	The values for partner external funding are: Durham University: £48k Bangor University: £107.5k Mentor Mon: £219k GST: £348k Total: £722.5k A typo in the submission section 4(d) incorrectly shows the GST contribution as £300k. The slides submiited to the technical consultants panel on the 5th September show the correct amounts. These figures will be corrected in the submission.
