Dear Nigel

Notice of Modification of the standard conditions of the Electricity and Gas Supply Licences and under Section 11A of the Electricity Act 1989 and Section 23 of the Gas Act 1986

Thank you for the opportunity to provide representations on the above modification notices. On behalf of:

- South Wales Electricity Limited
- SSE Energy Limited
- Atlantic Gas Limited
- Scottish Hydro Electric Gas Limited
- Southern Electric Gas Limited
- Swalec Gas Limited and
- SSE Energy Supply Limited

I am writing to support the proposed licence modifications to standard licence condition 14 of both the Gas and Electricity Supply Licences which are intended to clarify the basis on which objections to a proposed non-domestic customer transfer can be raised.

If you would like to discuss this further, please do not hesitate to get in touch.

Yours sincerely

Rob McDonald
Director of Regulation
