Dear Lesley,

Re: Derogations to facilitate earlier connection of generation – proposed interim approach

Centrica welcomes the opportunity to comment on Ofgem's "minded to" interim approach with regards to GB SQSS derogations.

We currently do not fully understand the reasoning behind Ofgem's "minded to" approach and on this basis we are – at this stage – unfortunately not able to respond positively to Ofgem's proposed approach.

We would very much welcome a discussion on the subject. We have already made an initial contact with Ofgem to set up a meeting and we hope to meet with you shortly.

Kind regards,

Merel van der Neut Kolfshoten
