Project code	NGET_OSEAIT	Question Number	16
Question date	08 September 2015	Answer date	11 September 2015
Submission section question relates to	Section 3.3		
Topic	Benefits		
Question	<p>Please can you explain why there is a difference between how net benefits have been calculated in the CBA and in the full submission?</p> <p>Please provide the spreadsheet (including formulas and calculations) which was used to produce the table of figures in section 3.3.2.</p>		
Notes on question	<p>We are unsure what differences are being referred to in the first part of the question above and therefore unable to respond appropriately. Please would you clarify what is meant by "in the full submission". We assume the CBA referred to above is that in Section 3.3.2.</p>		
Answer	<p>Please find attached the spreadsheet which supports the CBA in section 3.3.2.</p> <p></p>
