Funding requested	£

POSTCARD FROM THE FUTURE
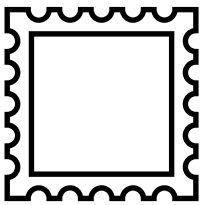

Place yourself five years into the future and imagine that the project and business partners have been successful.
What did you do to get here and what impact did you deliver for consumers?
Below is an example of the kind of content to include but this is not prescriptive – feel free to be as creative as you like

- Dear (primary beneficiary of your project)

- Our new solution is...

- It is delivering value to network users and consumers by...

- The additional impact that we have created is...

- The network benefits of our solution are...

- Our project partner(s) has/ have benefited by...

- Our consumers are...

- We have accelerated progress towards net zero carbon by doing...

- The value to UK Plc is...

- We've rolled out the innovation to business as usual across...

- We learnt...

- We're now going to do...
