Dear Alastair

Statutory Consultation on licence amendments to facilitate the introduction of an Electricity System Restoration Standard

Thank you for the opportunity to comment on the above statutory consultation, dated 2 July 2021. This response should be regarded as a consolidated response on behalf of UK Power Networks' affected distribution licence holding companies: Eastern Power Networks plc; London Power Networks plc; and South Eastern Power Networks plc.

We are broadly comfortable with the minor change to the distribution licence but seek clarity from Ofgem that amendments to the codes to align for the changes in terminology are conducted in a timely manner.

My team is happy to discuss the feedback in more detail, in this respect please contact Paul Measday in the first instance.

Yours sincerely

Basil Scarsella
Chief Executive Officer
