

The Electricity Act 1989 Revocation Order under section 25(7)(c) of the Electricity Act 1989

To: Neon Reef Ltd, Company number 10871657, of 5 Poole Road, Bournemouth, England, BH2 5QL ("Neon Reef").

WHEREAS:

- A. Based on information available to the Gas and Electricity Markets Authority ("the Authority"), it appeared to the Authority that Neon Reef was likely to contravene the requirements of Standard Licence Condition ("SLC") 33.3, conditions 3.1 and 3.1.2 of Schedule A, Part 3 of SLC 33 and the Feed-In Tariff Order 2012 by being unable to make its FIT Year 11 Annual Levelisation Payment of £37,350.76 by the specified deadline of 17 September 2021. SLC 33 and the Feed-In Tariff Order 2012 are enforceable by the Authority as relevant requirements under section 25(8) of the Electricity Act ("the EA 1989").
- B. Having regard to the matters set out in sections 25(2), (3)(a) and (b) of the EA 1989, the Authority made a Provisional Order on 21 September 2021 (the "PO") requiring Neon Reef to make payment of £37,350.76 forthwith.
- C. Since 21 September 2021, the Authority has not been required to confirm the PO pursuant to section 24(4) of the EA 1989 owing to the information set out in paragraph D below;
- D. Neon Reef made payment of £37,350.76 to the Authority on 22 September 2021 and, as such, the Authority is now satisfied that the provision made by the PO is no longer requisite for the purpose of securing Neon Reef's compliance with its FIT Year 11 Annual Levelisation Payment as stated in paragraph A of this Order, and the Authority hereby revokes the PO.

NOW THEREFORE:

The Authority, pursuant to section 25(7)(c) of the EA 1989, revokes the PO.

Dated: 24 September 2021

Signed:
