

## **The Electricity Act 1989**

### **Notice of decision not to make Final Order**

#### **Home Energy Trading Ltd**

## **Decision of the Gas and Electricity Markets Authority (“the Authority”) not to make a Final Order.**

**15 October 2021**

- 1.1. On 1 October 2021, in accordance with section 26 (1) and (2) of the Electricity Act 1989 (“EA89”), the Authority issued a Notice of Proposal to make a Final Order (“Notice of Proposal”) to Home Energy Trading Ltd (“Home Energy”) (company number 10364306) whose registered office is situated at Stoneygate House, 2 Greenfield Road, Holmfirth, West Yorkshire, England, HD9 2JT, the holder of an electricity licence granted under section 6(1)(d) of the EA89.
- 1.2. A copy of the [Notice of Proposal](#) can be found on our website.
- 1.3. The Notice of Proposal was issued as the Authority was satisfied that Home Energy was likely to contravene the Renewables Obligation (“RO”) under article 7 of the Renewables Obligation Order 2015 and article 5 of the Renewables Obligation (Scotland) Order 2009. The Notice of Proposal explained, in particular, how Home Energy failed to present sufficient Renewables Obligation Certificates, and/or to make payments, to the Authority to discharge its RO for the period 1 April 2020 to 31 March 2021 by the relevant deadlines. The Authority believed that Home Energy was likely to fail to make the necessary payments before the 31 October late payment deadline.
- 1.4. Section 25(1) of the EA89 provides that the Authority shall issue a Final Order if it “is satisfied that the regulated person is contravening, or is likely to contravene, any relevant condition or requirement”.
- 1.5. On 5 October 2021 Home Energy paid its outstanding RO in full and discharged its obligation under the RO.
- 1.6. Therefore, because the Authority is satisfied that Home Energy is no longer in contravention of, or likely to contravene, the RO, the Authority has decided not to proceed with issuing a Final Order to Home Energy on this occasion.
