

## Response template for Administration of Green Gas Levy Consultation

This template contains all the questions posed in the Administration of the Green Gas Levy consultation document. Through this template we're aiming to collect your feedback on our proposals on how we will administer the Green Gas Levy. We welcome your views and encourage you to respond to the questions that are of most interest. Please provide your contact details in the fields below. To respond, please provide your views in the space below the relevant question.

Organisation Name:	Renewable Energy Assurance Limited (administrators of the Green Gas Certification Scheme – GGCS)
Organisational Type:	Non-for-profit company
Completed by:	Jesse Scharf
Contact details:	jscharf@greengas.org.uk

## Consultation questions

1. Do you have any comments on the first proposal on data collection methods? Do you have any further suggestions for how data collection could be improved?
No Comment
2. Do you have any comments on the alternative proposal that Ofgem could collect data from a third-party and require suppliers to validate this?
No Comment

<p>3. Do you have any comments on the proposed list of information required to support a notification that a supplier is likely to be an exempt supplier? Is there any additional information that you believe will help support a notification?</p>
<p>We support the proposal to publish a list of “approved certification schemes” and encourage Ofgem/BEIS to make public the process by which certification schemes can become approved and the requirements that they must meet.</p>
<p>4. From your experience of providing credit cover for other purposes previously, do you anticipate any difficulties in being able to obtain the issue of a letter of credit that would meet the criteria requested and in the timeframes required? If there are concerns or there have been previous issues please provide evidence of this within your response.</p>
<p>No Comment</p>
<p>5. Do you agree or disagree with Ofgem’s proposed approach to the discretionary return of excess credit cover in quarters 1-3 each year, including limiting requests to once per year, and the proposed de minimis threshold for returns? If you disagree, please provide alternative suggestions, including any evidence, to support your response.</p>
<p>No Comment</p>
<p>6. From your experience of providing credit cover for other purposes do you have any feedback on any of the aspects proposed which could be made more efficient or easier to administer for either Ofgem or suppliers? Please provide evidence to support your response.</p>
<p>No Comment</p>
<p>7. Do you agree or disagree with the proposed timings for making a mutualisation payment? If you disagree, please provide alternative suggestions, including any evidence, to support your response.</p>
<p>No Comment</p>
<p>8. Do you agree or disagree with the proposal to include compliance with the Green Gas Levy in the Supplier Performance Report, and to use the same scoring methodology as used for other schemes? If not, please provide any other suggestions.</p>
<p>No Comment</p>

9. Are there any ways that we can help reduce the administrative burden for suppliers who are serving a low number of meter points, while ensuring that Ofgem and suppliers meet their obligations as will be set out within the regulations? Please provide evidence to support your response.
