Dear Sirs,

Condition 31E (C31E) Distribution Flexibility Services Procurement Statement

Indigo Power Limited is a licensed Independent Distribution Network Operator. We were granted our distribution licence in August 2020 by Ofgem.

Indigo Power Limited does not intend to purchase flexibility this regulatory year, given our current start-up status and judgement that it will not be required.

Yours faithfully,

A handwritten signature in black ink, appearing to read "Andrew Blincow".
