F. On **7 October 2022**, the Licensee gave notice to the Authority under standard condition 9.3 of the Licence of its claim for a payment to compensate for additional costs it incurred in complying with a Last Resort Supply Direction.

G. Standard conditions 9.5 and 9.6 of the Licence state that the Authority will give its consent for the Licensee to make the claim notified to it if it considers it appropriate in all the circumstances of the case or the Authority may determine that an amount other than the one calculated by the Licensee is a more accurate calculation of the relevant amount for the Last Resort Supply Payment.

H. The Authority consulted on its determination of the amount it considered appropriate for the Licensee to recover.

I. The Authority has made a decision on the relevant amount it will consent for the Licensee to recover as a Last Resort Supply Payment, taking into account the evidence provided by the Licensee in support of the claim and representations made by interested parties. The reasons for the Authority's decision can be found in its decision document.

**Therefore:**

J. Pursuant to standard condition 9.6 of the Licence, the Authority hereby consents for the Licensee to claim for a Last Resort Supply Payment of up to **£820,005.22** from the relevant gas transporters, as set out in Schedule 1, subject to the following conditions:

1. *That the Licensee confirms that:*
  - 1.1. *The claim for which this consent is given is a Subsequent Levy Claim for the purposes of the True-up Agreement executed by the Licensee on 08 February 2022; and*
  - 1.2. *The terms of the True-up Agreement continue to apply to this and subsequent claims in respect of the Last Resort Supply Direction.*

K. This amount shall be reduced by 45% of any amounts the Licensee recovers from the liquidation of **COLORADO ENERGY LIMITED**.

L. Pursuant to standard condition 9 of the Licence, relevant gas transporters are gas transporter licensees in whose transportation area there were premises supplied under the Last Resort Supply Direction(s), excluding independent gas transporters.

M. This consent shall take effect on and from 20 December 2022.

**Dated: 19 December 2022.**
