Construction of the interconnector is subject to separate planning processes including the obtaining of any consents or permits required from relevant authorities, including the relevant planning authority.

Further, it is not an authorisation to operate the interconnector under any specific regime (i.e. merchant-exempt route or the cap and floor regime).

A copy of this licence is available from the Ofgem Library, 10 South Colonnade, Canary Wharf, London, E14 4PU or by email at foi@ofgem.gov.uk.
