

Energy Company Obligation (ECO4): Pre-Existing Loft Insulation Declaration¹

THIS FORM MUST BE SECURED INSIDE THE LOFT (DO NOT REMOVE)

A. Operative: To the best of my knowledge (please tick to confirm):

- I can confirm that I did not personally extract and am not aware of any extraction of loft insulation in the property prior to the assessment².

If applicable (please tick to confirm):

- The loft installation ECO4 measure installed in this project is a loft insulation top-up measure required to meet ECO4 minimum insulation preconditions.

Name of operative (PRINT):	
Name of organisation:	
Operative signature:	
Date:	___ / ___ / _____

If this declaration is found to be inaccurate or is not present in the loft at installation, Ofgem reserves the right to revoke savings attributed to the measure.

B. Occupier / landlord: This may also be completed by the landlord's authorised property management agent or an authorised signatory on behalf of the occupier*.

To the best of my knowledge (please tick boxes below to confirm):

- No loft insulation has been removed since owning and / or occupying the property².

1 st line of address:	
Postcode:	
Occupier / landlord name (PRINT):	
Occupier / landlord signature:	
Date	___ / ___ / _____

- *If you have completed section B on behalf of the occupier/landlord, tick this box to confirm that you are not the installer, energy supplier or any other party in the supply chain responsible for this measure.

¹ All signatures need to be signed by the person in question (electronically or otherwise) and not copy and pasted.

² This does not include extraction of faulty insulation carried out as part of the ECO project in accordance with Chapter 4 in the ECO4 Guidance: Delivery, subsection "Extraction of pre-existing insulation".
