Confidentiality

We want to promote transparency in the Capacity Market Rules change process. Submitting proposals directly to the Capacity Market Advisory Group (CMAG) supports transparency whilst ensuring that proposals benefit from the input of a panel of impartial capacity market experts whose role it is to support the development, scrutiny, and prioritisation of proposals to improve CM Rules.

Proposals submitted directly to Ofgem may be shared with CMAG or published on our website as part of a public consultation before any rule change is enacted, provided the information shared has not been marked as confidential.

To submit your proposal directly to CMAG, e-mail this document to cmag@elexon.co.uk

If you wish to submit confidential information to Ofgem as part of your proposal, there are two routes to do this:

1. Submit this document directly to CMAG (cmag@elexon.co.uk) excluding the confidential information, then submit a copy of this document plus an additional file containing the confidential information (marked as confidential) to emr_cmrules@ofgem.gov.uk
2. Submit this document plus an additional separate file containing the confidential information (marked as confidential) directly to Ofgem at emr_cmrules@ofgem.gov.uk

Nothing marked confidential will be shared outside of Ofgem without the express permission of the proposer.
