Dear David,

Re: Proposed modifications to the ED2 PCFI for RIIO-2

We are pleased to enclose a response on behalf of SSEN Distribution¹ to Ofgem's consultation on the proposed modifications to the ED2 Price Control Financial Model and Price Control Financial Handbook. We are committed to working closely with Ofgem and the other Distribution Owners (DNOs) to improve the Price Control Financial Instruments.

Following review of the proposed modifications to the PCFM and PCFH, we believe the changes reflect the correction of errors/anomalies identified in the previous versions and do not constitute significant modifications. Consequently, we agree with the proposed modifications taking effect from 1st July 2023.

Yours sincerely

Lauren Smith
