Dear Mick

**Proposal to modify the RIIO-2 Electricity Distribution Price Control Financial Instruments**

Thank you for the opportunity to respond to the Notice of 8 September regarding the above. This response is on behalf of UK Power Networks' three distribution licence holding companies: Eastern Power Networks plc, London Power Networks plc, and South Eastern Power Networks plc. We are Great Britain's largest electricity Distribution Network Operator (DNO), dedicated to delivering a safe, secure and sustainable electricity supply to 8.5 million homes and businesses.

We have reviewed the two corrections set out in your notice and support these changes.

If you have further questions, please let Paul Measday know in the first instance.

Yours sincerely
