Subject: My response to the consultation

You don't often get email from mattkirkandlittlepeople@gmail.com. [Learn why this is important](#)

Dear Sai

Hope you are okay. Below is my response to the consultation.

The document describes networks as natural monopolies yet ofgem role is to promote competition in order to protect consumers. It has therefore failed in its overarching objective. Ofgem are a bunch of incompetent morons who are in the pockets of big business'.

Thank you Matt Kirk
