Elia Transmission Belgium response to the consultation on:

Brussels 14/07/2023

***“The Market Arrangements for Offshore Hybrid Assets: Multi-Purpose
Interconnectors and Non-Standard Interconnectors”***

Dear Bartosz and Kevin,

Elia Transmissions Belgium highly welcomes the opportunity to respond and provide our feedback to consultations launched by OFGEM and DESNZ on the Market Arrangements for Offshore Hybrid Assets: Multi-Purpose Interconnectors and Non-Standard Interconnectors.

In total we answered 13 questions out of the total of 20 in this consultation. You can retrieve the selection of questions and our answers to them in the excel table which is included also as attachment (.xlsx file) to the e-mail we sent to you when replying to your consultation. The excel table has the name as listed below:

- *“Elia Transmission Belgium answered questions Ofgem_DESNZ consultation Market Arrangements.xlsx”*

Yours sincerely,

Benjamin Genêt & Thomas Van Den Broucke
EU Market & Offshore Department
