New electricity supply and generation licence conditions to implement new ownership arrangements for Elexon

October 2, 2023

Uniper

Düsseldorf-based Uniper is an international energy company with activities in more than 40 countries. The company and its roughly 7,000 employees make an important contribution to supply security in Europe, particularly in its core markets of Germany, the United Kingdom, Sweden, and the Netherlands.

About Uniper UK

In the UK, Uniper owns and operates a flexible generation portfolio of seven power stations, a fast-cycle gas storage facility and two high pressure gas pipelines, from Theddlethorpe to Killingholme and from Blyborough to Cottam. We also have significant long-term regasification capacity at the Grain LNG terminal in Kent, to convert LNG back to natural gas.

Consultation Response

Q1. Do you agree with our proposed approach to implementation, including our proposal for flexibility?

Yes.

Q2. Are there any other factors that we should consider to enable successful implementation?

None of which we are aware.

Q3. Do you agree that the approach taken in the proposed licence condition serves the purpose required?

Yes.

Q4. Do you have any additional comments on the proposed licence condition?

No.
