Agreement”)]**

I refer to your **Request for a Statement of Works** dated [] in relation to the possible connection of the above Licence Exempt **Embedded Generator** in your **Distribution System** (the “Project”).

We have now undertaken an initial assessment of the significance of the Project and [believe the **Power Station** has a significant impact on the **National Electricity Transmission System** (for the avoidance of doubt, such significant impact involves either party in an expenditure of more than £10,000] would advise you of the following implications:-

- i. Requirement for works on the **National Electricity Transmission System** where such works are not at a **Connection Site**
Yes/No

- ii. Requirement for works to the **National Electricity Transmission System** at a **Connection Site (Grid Supply Point)**
Yes/No

- iii. Necessity for **Site Specific Requirements** (at the site of connection) of the **Power Station**) **Yes/No**

If no works have been identified include the following:

[As this **Statement of Works** does not specify any works as being required nor any **Site Specific Requirements** as being necessary, our letter completes the process required for in respect of your **Request for a Statement of Works** for the purposes of Paragraph 6.5.1(a)(i)]

If works have been identified include the following:

[This **Statement of Works** will remain valid for a period of 90 **Business Days** from the date hereof, i.e. until

XX Month Year (“Expiry Date”)

After the Expiry Date this Statement of Works will lapse.

Should your customer wish to progress the Project, you will need to advise us of this fact by signing and returning to **The Company** the **Confirmation of Progression** form attached hereto by the **Expiry Date**.

Any signed **Confirmation of Progression** (together with the appropriate fee) received by **The Company** by the **Expiry Date**, together with the information included in the **Request for a Statement of Works**, shall be deemed to be **Modification Application** for the purposes of the **Charging Statements** and for Paragraphs 1.3.2, 6.9.2, 6.9.3 and 6.10 of the **CUSC** which shall apply thereto.

Modification Applications (including deemed **Modification Applications**) will only be valid under this process if received by **The Company** on or before the **Expiry Date**. In such event the **Expiry Date** shall not be extended, and this **Statement of Works** will lapse after the **Expiry Date** except where **The Company** agrees in writing that a revised **Statement of Works** is not reasonably required.

This **Statement of Works** has been assessed as at the date of issue. In the event that the system background changes on or before the **Expiry Date** of this **Statement of Works**, or before the **User** has completed, signed and returned the **Confirmation of Project Progression** with the appropriate fee, **The Company** reserves the right to revise any and all aspects of this **Statement of Works** and will notify the **User** of any changes to this **Statement of Works**.

This **Statement of Works** is made on the basis of and is only valid in respect of the information provided by the **User** in the **Request for a Statement of Works**. If the **User** wishes to make any changes to any information submitted with the **Request for a Statement of Works** a new **Request for Statement of Works** must be submitted to **The Company** before **Energisation** of the connection can take place. Please note, you may not energise the connection of the Project without having received a written notification from **The Company** that the process set out in Paragraph 6.5 of CUSC has been complied with in full.

Please note this **Statement of Works** should be forwarded to the **Power Station** as soon as reasonably practicable in accordance with Paragraph 6.5.5.3 of the CUSC.

Yours faithfully

CONFIRMATION OF PROJECT PROGRESSION

We confirm that we have received agreement from the proposed power station developer in relation to the above **Statement of Works** that they wish to progress with the Project.

We confirm that the information provided in the **Request for a Statement of Works** submitted on [#####] is correct and remains valid and we confirm that we will continue to comply with the terms of the **Request for a Statement of Works**.

We agree that by signing and returning this **Confirmation of Progression** (together with the appropriate fee) it shall, together with the information included in the **Request for a Statement of Works** and any further details as required by **The Company** pursuant to Paragraph 6.5.5.5, be treated as a **Modification Application**. We agree that any **Modification Offer** may comprise an agreement to vary the **Bilateral Agreement** and a **Construction Agreement**.

We wish to proceed on a [fixed] [variable] price application basis and enclosed the sum of £[####] including VAT as set out in the current **Charging Statements** and hereby request a **Modification Offer** in respect of the **Statement of Works**.

We confirm we do not/do want the **Enabling Works** to be greater in scope than the **MITS Connection Works**. *[If you want the **Enabling Works** to be*

*greater in scope than the **MITS Connection Works** specify the concerns, reasons or technical requirements that you are seeking to address by this.*

Please note this **Confirmation of Project Progression** should be forwarded to the **Power Station** as soon as reasonably practicable in accordance with Paragraph 6.5.5.4 of the CUSC.
