Subject: Re: Notice of Ofgem's tCSNP2 Consultation Extension [OFFICIAL]

Attachments: Ofgem Transmission Consultation Response V2 .pdf (173.29 KB)

Dear Ofgem

Regarding the extension to the tCSNP2 consultation deadline, detailed below, I submitted a consultation response before the original deadline but with the extra time made available from the extension, have taken the opportunity to add some additional items and correct a few issues with the response.

Would it be possible to replace my original consultation response, that I submitted on 30/08/2024, with the updated version which I have attached please?

Thanks,
