Dear Mr Lam and Mr Brown,

Re: Independent Gas Transporters' Relative Price Control – Call for Input

Thank you for the opportunity to respond to the Independent Gas Transporters' Relative Price Control – Call for Input.

As Ofgem undertakes its review, Northern Gas Networks asks that the review and any changes which may result from it, are consistent with Ofgem's core statutory duties and following due regulatory process. We expect this and any further review(s) are undertaken in a way which ensures consistency in decision making and the underlying processes.

Yours sincerely,

Greg Dodd
Regulation and Strategic Planning Director
