

OFTO Tender Round 13 Launch Webinar: OFTO-related service providers

OFTO Tender Round 13 Launch Webinar: OFTO-related service providers

People registered for the OFTO Tender Round 13 Launch Webinar on 2 September 2025 were invited to provide brief details of their organisation and the services it offers, to be shared on the Ofgem website. The table below presents the information submitted.

The information provided is for information only and is intended for use by those organisations that attended the OFTO Tender Round 13 Launch Webinar. The information should only be used in connection with OFTO tenders. The information has been provided by the organisations listed. Ofgem does not warrant the accuracy, quality, legality or reliability of any information or content contained or linked to in this document and no reliance should be placed on the information provided. Ofgem does not endorse any of the organisations listed and nothing contained within this document should be taken as constituting or implying Ofgem's endorsement or recommendation of any such organisation, its business or its employees.

Organisation Name	Contact Details	Introduction and Summary of Services	Organisation Website
ABB Electrification Service	Jerome Nessi, Electrification, jerome.nessi@gb.abb.com	<p>ABB Electrification Service includes onshore and offshore LV, MV and HV maintenance contracts in the UK. We are expert in life cycle asset management strategies.</p> <p>ABB can offer consultancy services, battery storage energy solutions, service level agreements, spare parts strategies, install and commissioning, retrofit existing assets, repair and modernise plants.</p>	https://search.abb.com/library/Download.aspx?DocumentId=4TLB000565&LanguageCode=en&DocumentPartId=&Action=Launch
ABP Mer	<p>Principal Marine Planning Consultant, Tania Davey (tania.davey@abpmer.co.uk)</p> <p>Natalie Frost, Director (nfrost@abpmer.co.uk)</p> <p>Tony Brooks, Offshore Wind Lead (ajbrooks@abpmer.co.uk)</p>	<p>ABPmer is a marine consultancy and survey company with significant experience supporting the UK's offshore wind developments, including East Anglia Array, Dogger Bank, Hornsea and Beatrice. We assist developers and contractors throughout the project lifecycle, including site selection and feasibility advice, marine licence support, and cable landfall and burial assessment.</p>	https://www.abpmer.co.uk/
Addleshaw Goddard LLP	Karen Rowe, Partner (karen.rowe@addleshawgoddard.com)	Legal services	https://www.addleshawgoddard.com/en/

Amberside	<p>Neil Rutledge - Business Development Manager - neil.rutledge@amberside.uk</p> <p>Paul Austin - Director - paul.austin@amberside.uk</p> <p>Alan Samuels - Director - alan.samuels@amberside.uk</p> <p>Mark Easter - Director - mark.easter@amberside.uk</p>	Amberside Advisors specialises in financial and commercial advisory services to investors, companies and public sector bodies, working across infrastructure, renewables and energy transition. Advising on major transformational projects, we support clients on transactions, providing commercial advice and equipping clients with financial modelling and data analytics tools.	www.amberside.uk
Arup	<p>Nikos Menegakis, Director, nikos.menegakis@arup.com</p> <p>James Theobalds - James.Theobalds@arup.com</p> <p>Naomi Druks - Naomi.Druks@arup.com</p>	Programme and project management, management consulting, strategy consulting, asset management, operations, people and organisations, technical advisory, commercial and ESG due diligence, economics and policy.	https://www.arup.com/
Assured Guaranty	<p>Joel Turner - Vice President - joelturner@agltd.com</p> <p>Suparna Dar - Co-head of Infrastructure Finance - SDar@agltd.com</p> <p>Sean Rutter - Director - Infrastructure Finance - SRutter@agltd.com</p>	Assured Guaranty provides senior debt financing solutions for large scale infrastructure projects (including OFTOs) through by providing financial guarantees.	www.assuredguaranty.com

	Ashish Anand Managing Director – Infrastructure Finance - aanand@agltd.com		
Aviva Investors	Sinead Walshe - Partner - sinead.walshe@avivainvestors.com	Aviva Investors is an institutional investor who has provided debt to OFTO with strong appetite for the provision of indexed link debt.	https://www.avivainvestors.com/en-gb/capabilities/private-markets/infrastructure/infrast-structure-debt/
Baringa	Bora Demiralan - Director - Technical Advisory and Due Diligence - bora.demiralan@baringa.com Matthew Grant - Matthew.Grant@baringa.com - Commercial and Market Advisory	Baringa is a global management consultancy advising on energy, infrastructure and transformation. Its Technical Advisory practice supports investors with independent due diligence and business-plan validation, combining engineering, commercial and financial insights to assess risks, costs and performance of complex energy and utility assets.	https://www.baringa.com/en/insights/low-carbon-capital/technical-advisory/
BDO	Marios Gregori - Business Unit Head - marios.gregori@bdo.co.uk Steve Watts, Senior Consultant, steve.watts@bdo.co.uk	BDO is an international network of independent accounting and consulting firms. They offer a range of services including audit, tax, advisory, and business services. BDO firms operate in 166 territories with over 119,000 people. They serve clients ranging from individuals and mid-sized companies to large multinational corporations	www.bdo.co.uk
Centre for European Policy Analysis (CEPA)	Nicholas Hodges - Business Developer - nick.hodges@cepa.co.uk	CEPA is a global economic and financial policy consulting firm. We advise private and public-sector clients worldwide about matters where economics, finance and policy overlap.	www.cepa.co.uk

Clyde & Co	<p>Marianne Anto, Partner - marianne.anton@clydeco.com</p> <p>Ben James, Partner - Ben.James@clydeco.com</p> <p>Alex Blomfield, Partner - Alex.Blomfield@clydeco.com</p>	<p>Our multi-disciplinary renewable energy team has expertise covering the full life cycle of projects across the globe. We understand the risks and opportunities inherent in acquiring, developing, financing, constructing, owning and operating renewable energy projects, and are conscious of the commercial pressures facing the industry. We are focussed on providing advice and service of the highest quality, and tailored to the needs of a particular client, business line, transaction, project or jurisdiction.</p>	<p>https://www.clydeco.com/</p>
CMS	<p>Partner - Chris McGarvey chris.mcgarvey@cms-cmno.com</p> <p>Beren.shorman@cms-cmno.com</p> <p>Nicholas.Carroll@cms-cmno.com</p> <p>Hugo Coetzee, Energy Finance Partner (hugo.coetzee@cms-cmno.com)</p> <p>Oliver Brown, Senior Associate (oliver.brown@cms-cmno.com)</p>	<p>CMS has a wealth of experience providing legal advice on all sides of OFTO projects with members of our team having advised on all OFTO Rounds tendered to date, advising bidders, developers and the regulator.</p>	<p>https://cms.law/en/gbr/</p>

CmY Consultants Ltd	Charles Yates - Managing Director - charles@cmyconsultants.london marymargaret@cmyconsultants.london	Charles Yates is a seasoned commercial and regulatory specialist with over 20 years of experience advising clients on large complex renewable projects. For Vattenfall he manages risks to offshore wind farms and transmission. He has advised RWE on offshore wind in India, on their Pembroke Net Zero Centre and the Norfolk Offshore wind cluster. He regularly advises investors on OFTOs. He possesses strong leadership, analytical, and communication skills, along with deep understanding of the regulatory landscape and financial analysis.	https://cmyconsultants.london/
Cube Lynx	Mayur Gondhea - Director: mayur.gondhea@cubelynx.com	CubeLynx are an independent advisor providing financial modelling services to infrastructure, low carbon, regulated and real estate projects. Currently supporting OFTO and offshore wind project and have been working in OFTOs since TR2.	www.cubelynx.com
Department for Environment, Food & Rural Affairs (DEFRA)	Lee Gunton, Senior Policy Adviser, Marine Recovery Fund (lee.gunton@defra.gov.uk)	Department for Environment, Food & Rural Affairs	https://www.gov.uk/government/organisations/department-for-environment-food-rural-affairs

DNV	<p>Michael Gow - Business Manager PowerGrids UK & Ireland - mike.gow@dnv.com</p> <p>Ronan McDermott - Team Leader Renewable Projects Offshore - ronan.mcdermott@dnv.com</p> <p>Kennet Sinclair - Senior Engineer, Wind Projects - kennet.sinclair@dnv.com</p> <p>Archie Averill - Engineer, PowerGrids and Connections - archie.averill@dnv.com</p>	<p>DNV provides technical advisory services to the renewables and power industry, and is regularly mandated on technical due diligence or owners engineer assignments in relation to large renewable infrastructure assets, including OFTOs, on behalf of Lenders, prospective buyers, or vendors.</p>	<p>www.dnv.com</p>
Ernst & Young	<p>Thomas Fletcher - MD International Subsidiary Banking - tfletcher@parthenon.ey.com</p> <p>Colin George - Associate Director - cgeorge@parthenon.ey.com</p>	<p>EY has provided independent financial advice for the OFTO programme since the first tender round. The experienced team offers bid advisory, finance raising, tax and accounting, financial modelling, capital markets and hedging advice.</p> <p>EY has a global reach with 400,000 people across the world providing strong connections with international investors and funders. EY has also been deeply involved in transactions in adjacent sectors including interconnectors, distribution, storage and offshore wind.</p>	<p>https://www.ey.com/en_gl/industries/energy-resources/global-renewables</p>

Flux Partners	<p>Victor van Rie - v.vanrie@flux.partners - Consultant & Business Developer</p> <p>Nathan Meijer - n.meijer@flux.partners - Partner (International Renewables)</p>	Flux excels in tender management, bid support, and bid writing for offshore transmission projects. We navigate complex procurement frameworks with precision, delivering high-quality, compelling submissions. Our strength lies in aligning technical, legal, and strategic elements to create winning bids. Clients rely on our excellence in managing processes and maximizing proposal impact.	https://flux.partners/en/
FTI Consulting	<p>Rob Williams, Corporate Finance Director (rob.williams@fticonsulting.com)</p> <p>Suzanne Alcock, Managing Director, Tax Depreciation (Suzanne.Alcock@fticonsulting.com)</p> <p>Jason Mann, Senior Managing Director, Head of Energy Transition (Jason.Mann@fticonsulting.com) -</p> <p>Julio Dal Poz, Managing Director, Energy Transition - Strategy and Corporate Finance (Julio.Dalpoz@fticonsulting.com)</p>	<p>A Fortune 1000, US listed consultancy business with >8,000 employees, FTI Consulting offers a comprehensive suite of services designed to assist clients across the business cycle.</p> <p>FTI brings extensive experience across offshore wind, the GB power market, regulatory requirements and auction support, including OFTO tax, accounting and bid strategy advice.</p>	https://www.fticonsulting.com/uk

GE Vernova	Davide Pinzan - Director - davide.pinzan@gevernova.com	GE Vernova is one of the key Original Equipment Manufacturers in the HVDC Converter Station market, which is a high-value critical component of OFTO assets. With our recent wins and project pipeline in Europe, Vernova continues to enable electrification and energy diversification at scale.	https://www.gevernova.com/
Gravis Capital	Haohua Wu - Associate - haohua.wu@graviscapital.com Matteo Quatraro - Director - Matteo.quatraro@graviscapital.com Ben Rider - Associate Director - Benjamin.rider@graviscapital.com	Gravis is an expert in infrastructure, real estate and private credit, managing two UK listed investment companies and four open ended funds across a diverse range of sectors (renewables, social housing, digital infrastructure, real estate, etc.)	https://www.graviscapital.com/
HSBC	Cora McLaren - Senior Associate (UK & Ireland Business Development Manager) - cora.mclaren@hsbc.com	HSBC partners with our Corporate and Institutional clients as they expand internationally and we connect businesses to opportunities for sustainable business growth. We provide comprehensive financial solutions and global connectivity, providing services such as advisory, financing, global trade, international treasury and payment solutions across more than 85% of global trading corridors.	https://www.hsbc.com/who-we-are/purpose-values-and-strategy/our-strategy
IDCM	Andy Ram, Financial Advisory (andy.ram@idcm.eu.com)	IDCM is an independent London-based corporate finance specialist focused on debt advisory and M&A across infrastructure, real estate, and renewable energy, structuring tailored funding and managing deals from inception to close.	https://idcm.eu/
Inch Cape Offshore Limited	Adrian Swift, Finance Director of own consultancy (adrian.swift@inchcapewind.co.uk),	Inch Cape offshore wind project.	https://www.inchcapewind.com/

	George Cobb, OFTO Transaction Manager (george.cobb@inchcapewind.co.uk)		
JLL	Samuel Simon, Events Manager: samuel.simon@jll.com	JLL's Energy and Infrastructure Advisory team provide corporate finance services to a wide range of energy clients	www.jll.com
Korea Electric Power Corp. (KEPCO)	Misun Jeong, Chief Representative of KEPCO Europe Office, mishell@kepc.co.kr	Korea Electric Power Corporation, known as KEPCO, is the electric utility in South Korea, responsible for the generation, transmission and distribution of electricity and the development of electric power projects.	https://home.kepc.co.kr/kepc/EN/main.do
Market Infra	George Beard, Business Development Manager (george.beard@marketinfra.co.uk)	Providing work winning and project management services to the infrastructure sector.	https://marketinfra.co.uk/
MCC Economics & Finance	PJ McCloskey, Partner, pj@mcceconomics.co.uk Warwick@mcceconomics.co.uk Rodrigo@mcceconomics.co.uk	Consulting advice on economic, financial, bidding, modelling and policy assumptions.	https://www.mcceconomics.co.uk/publications
Meridiam	Daniel McCarthy Stott - Managing Director - d.mccarthy@meridiam.com	Meridiam is a long-term developer and investor in critical sustainable infrastructure assets with a focus on greenfield projects.	https://www.meridiam.com/
Mizuho Bank	YunYan Liu, AVP, yunyan.liu@mizuho-bk.co.jp	Mizuho Bank	https://www.mizuhobank.co.jp/index.html

Motive Offshore	<p>Alan Stewart - Business Development Executive - alan.stewart2@motive-offshore.com</p> <p>Ryan Thomson - European Region Sales Manager - Ryan.Thomson@motive-offshore.no</p>	Motive Offshore specialises in the design, manufacture, rental & inspection of marine and lifting equipment.	www.motive-offshore.com
Mott MacDonald	<p>David Reid - Regional Team Leader (Electrical Advisory) - david.reidj@mottmac.com</p> <p>Nick Jimenez - Portfolio Lead - nick.jimenez@mottmac.com</p> <p>Duncan Broom - Project Principal - duncan.broom@mottmac.com</p>	We're a global engineering consultancy who work closely with transmission system operators, generation and interconnector developers, to plan, design and deliver international transmission and distribution infrastructure projects throughout the project lifecycle from concept to decommissioning. We can support with lenders technical advisory services, including Lender's Technical Advisor and Transaction Due Diligence, as well as design services or Owner's Engineer services.	www.mottmac.com

OEG	Director Chris Emmins chris.emmins@oeg.group	<p>We are OEG, a leading energy solutions business providing mission critical infrastructure assets, technologies and services to the global energy industry. From our beginnings in 1973, OEG has evolved significantly, growing both organically and through strategic acquisition, to become a pivotal link in the global energy project chain.</p> <p>Our specialised solutions for above-water, on-water and below-water applications are essential to meeting the world's energy needs, by supporting production across electricity, gas and oil. From the provision of offshore logistics equipment and bespoke solutions, through to the delivery of integrated services for larger project work scopes, we support the development, construction, operations & maintenance and decommissioning of energy assets and infrastructure.</p>	https://www.oeg.group/services/topside-services/high-voltage
Offshore Wind Consultancy Ltd	Linda Walker - Managing Director - lwalker@offshorewindconsultancylimited.com	We offer comprehensive end to end OFTO transaction strategies to assist clients in optimizing operations within the UK OFTO regime. We enhance efficiency by providing tailored solutions that encompass project management, financial planning, and compliance with Ofgem regulations.	https://offshorewindconsultancylimited.com/
Operis	Darryl Ooi, Director, dooi@operis.com Chris Aldred, Head of Advisory, caldred@operis.com Brendan Ng - Senior Consultant - bng@operis.com	Operis is a financial advisory firm offering financial bid advisory, financial modelling, model audit and tax & accounting advisory services for infrastructure and energy projects including OFTOs, having been involved in the regime since Tender Round 1.	https://www.operis.com/

	David Rosel, Director, drose1@operis.com		
Orrick	Ravinder Sandhu, Partner: rsandhu@orrick.com Craig Bruce, Senior Associate: cbruce@orrick.com	Orrick are market-leaders in advising on offshore transmission assets disposals in the UK, having advised developers on 15 completed divestments (and, where applicable, associated operation and maintenance arrangements). Orrick are currently advising on three live matters, one being the first UK wind farm to utilise a HVDC asset.	https://www.orrick.com/
Our Footprints	Rob Clunas - Business Development Manager - rob.clunas@ourfootprints.co.uk	Renewable energy consultancy specialising in the design, project management and advisory services for sustainable development and renewable energy projects: Feasibility Studies; Grid connection applications; Network modelling review; Concept Design Engineering; Construction Site Monitoring; Compliance & Regulatory Documentation	www.ourfootprints.co.uk
PA Consulting	Principal Consultant, Liliane Lindsay (liliane.lindsay@paconsulting.com) Alon Carmel, Head of Offshore Wind (Alon.Carmel@Paconsulting.com) Anthony Legg, Partner (Anthony.Legg@Paconsulting.com) Sabire Ipek Demir, Principal Consultant (Sabire.Demire@Paconsulting.com)	PA Consulting's Energy and Utilities practice delivers comprehensive advisory services across the energy value chain. PA has a team of dedicated offshore wind and transmission experts that specialise in advising developers, investors, etc. on auction strategy, transactions, etc., including OFTO tender rounds and secondary market transactions.	https://www.paconsulting.com/

Petrofac	<p>Chris Dawson - Director - chris.dawson@petrofac.com</p> <p>Erik Vrij - Business Development Director - erik.vrij@petrofac.com</p> <p>Alex Haynes - Head of Business Development & Proposals - Alex.Haynes@petrofac.com</p>	Petrofac is a global energy services company that designs, builds, and operates onshore and offshore facilities for oil, gas, refining, petrochemicals, and new energies	https://www.petrofac.com/
Proserv	<p>Paul Cook - VP Renewables - Paul.Cook@Proserv.com</p> <p>Lee Davison - Product Manager Renewables - Lee.Davison@Proserv.com</p> <p>Andrew Lloyd - Business Development Manager - Andrew.Lloyd@proserv.com</p>	Proserv's Holistic Cable Monitoring System, ECG™, offers operators better visibility and understanding of the live condition of cable assets, empowering decision-making through the insights generated from data analysis, so alleviating the requirement for physical O&M inspections and the CO2 footprint of unnecessary journeys.	https://www.proserv.com/products-and-services/ecg-holistic-cable-monitoring-system/
Prospect Mutual Management	<p>Edward de la Billiere - Director - HV Services - edlb@prospectlaw.co.uk</p> <p>Rikul Patel, Head of Prospect Mutual Management, rmp@prospectmm.co.uk</p>	Prospect Mutual Management is a specialist risk advisory firm with a leading reputation in the renewable energy sector. It specialises in designing and advising on risk retention strategies and mutual management services that are tailored to the specific needs of the sector.	www.prospectmm.co.uk

RES Group	<p>Head of Operations - Offshore, Filippo Di Salle (filippo.disalle@res-group.com)</p> <p>Simon Deacon - Global Offshore Director</p> <p>Felicity Hester - Sales Manager, Offshore</p>	Provision of O&M services to the offshore wind industry.	www.res-group.com
Scottish Power Renewables	<p>Irene Monescillo Nunez, Head of Regulated Transaction (simonescillo@scottishpower.com)</p> <p>Benjamin Martin (bmga@iberdrola.es)</p> <p>Iain Henderson (iain.henderson@scottishpower.com)</p>	Generation Developer	https://www.scottishpowerrenewables.com/
Sosteneo Infrastructure Partners	<p>Lucrezia Poggi, Investment Manager (lucrezia.poggi@sosteneo.com)</p> <p>Nick Renshaw, Investment Director (nick.renshaw@sosteneo.com)</p>	Potential Investor	https://sosteneo.com/

SynaptecLtd	<p>Aneesh Chandran, Lead Applications Engineer, aneesh.chandran@synapt.ec</p> <p>Saul Matthews, VP Sales, saul.matthews@synapt.ec</p> <p>Steven Blair, VP Applications, steven.blair@synapt.ec</p> <p>Oyedotun Oyewole, Applications Engineer, oyedotun.oyewole@synapt.ec</p>	<p>We produce the world's only passive electrical sensor networks for HV/MV power system protection and monitoring: Delivering actionable information to improve reliability and reduce operational cost.</p> <p>The energy transition is challenging the power industry to accommodate new paradigms of flexible supply and demand, without reducing reliability or increasing costs. Scaling up real-time visibility and control is needed to manage this change reliably and economically, and this requires a new approach to power system instrumentation.</p> <p>We Synaptec, have responded to this challenge by developing our Distributed Electrical Sensing (DES) technology, a completely passive solution that requires no control power, data networks or expensive civil works at the point of measurement, which can be interrogated over long distances, and is highly secure.</p> <p>This enables affordable, resilient, and granular instrumentation of remote, hard-to-reach circuits and assets like subsea cables, WTGs etc., providing a powerful platform for wide-area synchronous measurements throughout offshore power networks.</p>	<p>https://synapt.ec/</p>
Transmission Investment	<p>Bruce Turner, Head of Asset Management (bruce.turner@tinv.com)</p> <p>Greg Shand, Senior Commercial Manager (greg.shand@tinv.com)</p>	<p>Existing OFTO Owner</p>	<p>https://tinv.com/</p>

	Chris Veal, Mike Lee, Dan Clifford		
Tribe Advisory	<p>Senior Analyst, Alex Alla (alex.alla@tribeig.com)</p> <p>Chris Patt, Executive Director (Chris.Patt@TribelG.com)</p>	Tribe Advisory specialises in navigating the commercial and financial complexities of infrastructure projects, including transaction structuring, debt and equity capital raising, refinancing strategies, mergers and acquisitions.	https://www.tribeinfrastructure.com/
Vysus Survey & GeoEngineering	<p>Business Development Consultant - Vysus Survey & GeoEngineering Martin Day, martin.day@vysusgroup.com</p> <p>James Norris, Geospatial Manager, James.Norris@Vysusgroup.com</p> <p>Michael Cousins, VP Survey & GeoEngineering, Michael.cousins@Vysusgroup.com</p> <p>Martin Day, BD Consultant, Martin.Day@Vysusgroup.com</p>	Vysus Survey & GeoEngineering provides its IRIS web application data platform to manage, visualise and assess subsea survey data and associated risk, throughout the life of a submarine cable asset.	https://www.vysusgroup.com/services/survey-and-geoengineering

Watson Farley & Williams	Sarah Williamson, Partner (swilliamson@wfw.com) Emmanuel Ninos, Partner (eninos@wfw.com)	Consultants/Advisers	www.wfw.com
WSP	Tzern Toh, Associate Director (tzern.toh@wsp.com)	Consultants/Advisers	www.wsp.com
