

Making a positive difference  
for energy consumers

**Notice pursuant to regulation 19 (6) of the Electricity and Gas (Competitive Tenders for Smart Meter Communication Licences) Regulations 2012 (the “Tender Regulations”)**

WHEREAS

A tender exercise was commenced on 8 September 2025 pursuant to the Tender Regulations in relation to the grant of smart meter communication licences under section 6 of the Electricity Act 1989 and section 7AB of the Gas Act 1986;

**DCC2 Ltd** (Company number 16740622) whose registered office is at One Fleet Place, London, England, EC4M 7WS, a wholly owned subsidiary of Smart Energy Code Company Ltd (company number 08430267), whose registered office is at 77 Gracechurch Street, London, England, EC3V 0AS, has been determined, pursuant to regulation 18(1) of the Tender Regulations, as the **Successful Applicant** to whom an electricity smart meter communication licence and a gas smart meter communication licence are to be granted (notwithstanding that those grants may be subject to the fulfilment by the Successful Applicant), and notified accordingly pursuant to regulation 18(2) of those Regulations;

AND

the period required to elapse pursuant to regulation 19(5) of the Tender Regulations, following the notification to applicants required by regulation 19(1) of those Regulations, has now elapsed,

the Gas and Electricity Markets Authority hereby **GIVES NOTICE**, pursuant to regulation 19(6)(b) of the Tender Regulations, THAT:

it has **determined**, pursuant to regulation 19(6)(a) of the Tender Regulations, to **confirm** the determination previously made under regulation 18(1); and, accordingly, DCC2 Ltd is to be granted the electricity smart meter communication licence and the gas smart meter communication licence referred to above.

**Duly authorised on behalf of the Gas and Electricity Markets Authority**

**Date: 24th February 2025**
