

Ofgem Indicators Publication Timetable April – June 2026

Publication date: 30 March 2026

Ofgem is a leading provider of independent, impartial and authoritative data on the energy market and its performance for consumers.

We regularly publish and update data on how the retail and wholesale markets are working on our [Data Portal](#).

Ofgem's energy indicators publication timetable for 01 April 2026 – 30 June 2026 is provided below.

- Going forward, the timetable will be updated quarterly, or more frequently if publication dates need to be revised.
- The next scheduled timetable update will be published on 25 June 2026 and will cover 01 July 2026 – 30 September 2026.
- The timetable may be amended to include new charts or remove those that are no longer being produced.

All indicators will be published on the [Data Portal](#) on the Ofgem website by 10:30am on the day of the release. (Note: Social Obligations Reporting indicators are published on the [Debt and Arrears](#) page)
