

Making a positive difference
for energy consumers

To:

National Gas Transmission plc (with respect to its gas transmission network)
(the "Licensee")
and interested Stakeholders

Notice under Part A of the Standard Special Condition A40 (Regulatory Instructions and Guidance) SSC A40 of the Gas Transporter Licence (the "Licence") granted to the Licensee under section 7 of the Gas Act 1986 (the "Act").

The Gas and Electricity Markets Authority (the "Authority")¹ hereby gives notice under Part A of SSC A40 as follows:

Proposal to modify the Regulatory Instructions Guidance (RIGs)

1. The Authority proposes to modify the RIGs under SSC A40 of the Licence.
2. The RIGs are the primary means by which the Authority directs the Licensee to collect and provide information to the Authority, to enable it to administer the Special Conditions of the Licence and, where not referenced in the Licence, the RIIO-GT3 Final Determinations.² Part A of SSC A40 sets out the process for issuing and modifying the RIGs.
3. In accordance with Part A of SSC A40, the Authority hereby gives notice to the Licensee that it proposes to modify the RIGs in the manner indicated in the documents that can be accessed on its website, published alongside this Notice.
4. The proposed modifications refer specifically to information required to be submitted to the Authority for the 2026/27 Regulatory Year, and the Regulatory Years following unless otherwise amended, in relation to:
 - RIIO-GT3 Regulatory Instructions and Guidance: Version 3.1; and
 - RIIO-GT3 Regulatory Reporting Template: Version 3.1.
 - Main Changes RIIO-GT3 RIGs versus RIIO-GT2 Year 5
5. The proposed changes to the RRP and RIGs include:
 - new developments in the RIIO-GT3 framework;
 - general updates and corrections to the pack to ensure that formulae operate as intended and that GT3 Licence references are correct and applied consistently; and

² [RIIO-2 Final Determinations for Transmission and Gas Distribution network companies and the Electricity System Operator | Ofgem](#)

- updates and amendments to the RIGs to clarify existing reporting requirements.
6. The purpose of the proposed modifications is to update the reporting requirements for the Licensee and to ensure that the template and guidance are aligned with the latest Special Licence Conditions.
 7. The Authority proposes that these modifications should take effect at the decision publication which is due in autumn 2026.

Further information

8. The RIIO-GT3 RRP template and RIGs documents published alongside this notice show the proposed modifications as incorporated.
9. Copies of this Notice and other documents referred to in it are available on the Ofgem website (www.ofgem.gov.uk).
10. Any representations on the proposed modifications must be made on or before 25 August 2026 by email to RIIO3@ofgem.gov.uk.
11. Our normal practice is to publish responses on our website. We prefer to receive responses in an electronic form for publication on our website. However, if you do not wish for your response to be made public then you should clearly mark your response, or the relevant parts of your response, as "not for publication".
12. For the avoidance of doubt, if implemented, the proposals will require the data submitted from July 2027 onwards (in respect of the 2026-27 reporting year) to comply with the RRP requirements as modified in accordance with our published Decision.
