Dear David

Proposal to modify the Pensions Regulatory Instructions and Guidance

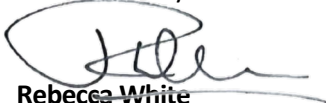

I am writing to confirm that Northern Powergrid supports the proposals set out in the above consultation published on 22 May 2026 and has no comments to make on the drafting of the proposed modifications.

Please note however that in the Appendix 4 ED Notice, you refer to “Northern Powergrid (Northeast) **Ltd**”, when we should be correctly referred to as Northern Powergrid (Northeast) **plc**. We wrote to Ofgem in May 2025 following a similar error in the licence fee invoices, which were subsequently issued correctly.

Please could you arrange for your records to be corrected so that we can avoid any further occurrences in the future?

Many thanks.

Yours sincerely

Rebecca White
Head of Regulatory Compliance
