Gas Act 1986

Section 23 (2)

Notice of statutory consultation on a proposal to modify the Special Conditions of the Gas Transporter licence held by Independent Gas Transporters

1. The Gas and Electricity Markets Authority ('the Authority')¹ proposes to modify the gas transporter licence held by each of the Independent Gas Transporter ('IGT') licensees ('the licensees') granted or treated as granted under section 7 of the Gas Act 1986 by amending the following Special Conditions (SPCs):
 - (a) Amending SPC1: *Charging of Gas Shippers – Relative Price Control*; and
 - (b) Inserting a new SPC2: *IGT Regulatory Instructions and Guidance ('IGT RIGs')*
2. We are proposing these modifications to give effect to our IGT Relative Price Control ('RPC') review policy decision.
3. Documents setting out the reasons and effects of the proposed modifications, together with the full text of the proposed modifications, are published alongside this Notice.
4. The proposed changes to SPC1 and the introduction of SPC2 include:
 - (a) Updates to the RPC under SPC1; and
 - (b) Creation of SPC2 which sets out the scope, contents, and common governance arrangements for the IGT RIGs.

Further Information
