Dear SCOTTISH HYDRO ELECTRIC POWER DISTRIBUTION PLC,

SCOTTISH HYDRO ELECTRIC POWER DISTRIBUTION PLC submitted Grounds for Change (the Project) to be considered for funding through the Alpha Phase of Cycle 6 of the Strategic Innovation Fund (SIF). In our (The terms 'we', 'us', 'our' refer to the Gas and Electricity Markets Authority. Ofgem is the office of the Authority) SIF Funding Decision issued on 1 October 2026, we selected the Project for conditional funding for the Cycle 6 Alpha Phase and as a result we are now issuing this SIF Project Direction to implement that decision.

This Project Direction is issued pursuant to the Special Condition 9.9 of the Electricity Distribution Licence and the SIF Governance Document and sets out the SIF Approved Amount and any Project-specific or Special Conditions applicable to the Project that SCOTTISH HYDRO ELECTRIC POWER DISTRIBUTION PLC must comply with to receive funding.

### **Role of UK Research & Innovation (UKRI)**

As per Chapter 1 of the [SIF Governance Document](#) UKRI administers the funding programme, monitor Projects, collate data from Projects, make recommendations to Ofgem on operational matters, support third-party innovators and, where possible, support successful Projects to become 'business as usual' activities. To support the success of the Projects and the SIF programme, we expect that the Funding Party and Project Partners collaborate with Ofgem and UKRI.

### **Decision**

Provided the Funding Party complies with the SIF Governance Document and with the Schedule to this SIF Project Direction, the Project is deemed to be an Eligible SIF Project.

This SIF Project Direction constitutes notice pursuant to section 49A (Reasons for decisions) of the Electricity Act 1989.

**Marzia Zafar**

**Deputy Director, Strategy Energy Systems Management & Security**

**SRO for the Strategic Innovation Fund**

**For and on behalf of the Authority**

### 3. PROJECT-SPECIFIC CONDITIONS

The Funding Party must comply with all requirements detailed in the SIF Governance Document and the relevant SIF Funding Direction. In accepting funding for the Project, the Funding Party is subject to the following Project-specific condition(s):

#### **Condition 1**

The Funding Party must not spend any SIF Funding until contracts are signed with the Project Partners named in Table 1 for the purpose of completing the Project.

#### **Project Partners**

- Energy Innovation Centre Limited
- Southampton City Council

### **Condition 2**

By **Project Week 6**, the Project Team must establish an engagement group, or utilise an existing suitable industry working group, to facilitate ongoing engagement with other electricity distribution network operators. The group must provide opportunities for networks to contribute to, shape and learn from the Project, and ensure the effective dissemination of project progress, insights and learning throughout the Project.

### **Condition 3**

The Project must hold an additional Ofgem Stage Gate prior to the £100k spend threshold being reached. The purpose of this Ofgem Stage Gate is to:

- a) provide further detail and justification of the forecast cost reductions presented within the Cost Benefit Analysis (CBA), including a clear explanation of how the proposed innovative technologies and solutions interact to deliver these benefits;
- b) present and obtain feedback on the proposed trial design, including the details of the proof of concept(s) to be tested

This Ofgem Stage Gate must be successfully completed before commencement of the trial activities. The Ofgem Stage Gate criteria will be defined and agreed as part of the kick off meeting.

## **4. COMPLIANCE**

The Funding Party must comply with Special Condition 9.9 of the Electricity Distribution Licence, the SIF Governance Document and with this SIF Project Direction.

## **5. SIF APPROVED AMOUNT**

The SIF Approved amount of £622,691 (as detailed under Section 1: Project details of this Project Direction) will be recovered by NESO from GB customers and transferred to the Funding Party. The Funding Party is responsible for notifying NESO of the bank account details to which transfers must be made, in addition to completing Annex 2 of this SIF Project Direction. If a Funding Party is required to return funding to NESO, the reverse applies. The Funding Party must provide bank account details to NESO within two weeks of accepting this SIF Project Direction.

## **6. PROJECT BUDGET**

The Project Budget is set out in Annex 1 of this SIF Project Direction. The Funding Party must report on expenditure as set out in Table 3 in Chapter 8 of the SIF Governance Document.

## **7. PROJECT IMPLEMENTATION**

The Funding Party must undertake the Project in accordance with the commitments it has made in the Application and with the conditions of this SIF Project Direction. These include (but are not limited to) the following:

- (ii) complete the Project on or before the Project completion date as detailed under section 1 of the schedule of this SIF Project Direction, and
- (iii) disseminate the learning from the Project at least to the level described in chapter 3 of the SIF Governance Document. Dissemination of learning must be carried out whether the Project was concluded successfully or otherwise.

## **8. REPORTING**

As set out in Table 3 in Chapter 6 of the SIF Governance Document, the Funding Party, are required to report on various information at set points through the lifecycle of the Project. Ofgem and UKRI may issue guidance (and amend it from time to time) about the structure and content of the Project reporting required. The Funding Party must follow this guidance in preparing the reports.

## **9. MONITORING**

The Funding Party must comply with any reasonable request for information by its Monitoring Officer at UKRI and with related deadlines. Ofgem, with the support of UKRI, will together monitor Project delivery, impacts and benefits. Throughout the term of the Project, progress is monitored by UKRI through a Monitoring Officer and Innovation Lead. The Monitoring Officer is the first point of contact for official notifications, queries and correspondence with UKRI and the Authority, unless otherwise required by this SIF Project Direction.

## **10. EVALUATION**

The Funding Party has acknowledged when it submitted its Application for this Project, that reporting information and data gathered during the Project's timescales (as detailed in Section 1 of this SIF Project Direction) will be used to evaluate Project performance. In addition, the Funding Party may be required to provide requested information outside of the Project timescales and, in particular, for the period from the Project end date to the end of the SIF Programme. Further data and reporting information may be requested (frequency and method based on requirement) outside of standard monitoring and

reporting requirements as deemed necessary. Further data and information requirements must be complied with by the Funding Party and Project Partners.

## **11. DATA SHARING**

As set out in Chapter 3 of the SIF Governance Document, the Funding Party must follow the Data Best Practice Guidance issued by Ofgem in regard to all data gathered or created in the course of a Project. We expect the Funding Party to document any reasons, such as commercial sensitivities, for desensitising data. As defined by, and in accordance with, the Data Best Practice Guidance, Funding Parties must have a data triage process. Where multiple Project Partners are collaborating on a Project, the consortium must adopt a consistent Open Triage Process for the data related to the Project. Ofgem may require that Project information and data is also shared with other specified parties, such as parties working on complementary innovation funding programmes (subject to redaction of sensitive data).

## **12. CYBER SECURITY**

It is the responsibility of the Funding Party and all Project Partners to implement and maintain appropriate security measures to protect personal data in accordance with The [GDPR \(General Data Protection Regulation\)](#) and [DPA \(Data Protection Act\) 2018](#). Protection of computer systems from unauthorised access or being otherwise damaged or made inaccessible must be in place alongside effective working practices. These must be maintained in line with the Funding Party's IT management strategies and policies.

## **13. PROJECT MILESTONES**

The Funding Party must provide an outline in its end of Project Phase meeting with its UKRI Monitoring Officer that verifies that the Project milestones have been achieved or explains why they have not.

#### **18. HALTING OF PROJECTS**

This SIF Project Direction is subject to the provisions contained in Chapter 7 of the

SIF Governance Document relating to the halting of Projects.
