A screenshot of a web application's 'Organisation Details' form. The form is titled 'Organisation Details' with a dropdown arrow. It contains two columns of input fields. The left column includes: 'Organisation Name' (text box), 'City' (text box), 'Postal Code' (text box), 'Main Organisation Phone Number' (text box), and 'Organisation Email Address' (text box). The right column includes: 'Address line 1' (text box), 'State/Country' (dropdown menu), 'Country' (dropdown menu with 'UNITED KINGDOM OF GREAT BRITAIN AND NORTH...' selected), 'Organisation Fax Number' (text box), and 'Web site' (text box). In the top right corner, there are three buttons: a menu icon (three dots), a 'Close' button, and a 'Save' button which is highlighted with a red rectangular border.

- Enter your organisation and user details into the Registration Data form. Click ‘Save’.
- An automatic email will be sent to you confirming your username and temporary password. When logging in for the first time the system will prompt you to change this to something more memorable.
- Once logged in, click on ‘PQ open to all applicants’ where the TR14 EPQ documentation can be accessed. At this point you are able to ‘Express your Interest’ for TR14, including any additional EPQ that is run. By selecting this you will be able to participate in the EPQ stage of TR14.

2. TR14 Launch

The EPQ Document will be published on 21 October 2026:

- on the Ofgem website. To access this, please go to the ‘OFTO Publications’ page at <https://www.ofgem.gov.uk/energy-policy-and-regulation/policy-and-regulatory-programmes/offshore-electricity-transmission-ofto/offshore-transmission-tender-publications> (then in the ‘Search’ box type ‘TR14’ to locate the TR14 EPQ Document).
- on the Portal at: <https://ofgem.ukp.app.iaggaer.com>.

The CA and COI declaration will be available for download from the Portal only.

3. Return CA and COI to receive draft TA & IM

The COI and CA for the Qualifying Project will need to be signed and submitted via the messaging area of the portal before access to the draft TA and IM for the Qualifying Project can be provided. These documents must not be amended.

Guidance Next Steps for Participation in the Tender Round 14 (TR14) Enhanced Pre-Qualification (EPQ) Stage

Once Bidders have completed the COI declaration and relevant CA to Ofgem's satisfaction, Ofgem will send the draft TA and IM to Bidders via the messaging area in the Portal. Ofgem will endeavour to review returned and completed CAs and COIs in a timely fashion; however Bidders should factor in a turnaround of at least 2 working days. **The earliest we anticipate these documents being available is 27 October 2026.**

4. Clarification questions

Bidders may seek clarifications from Ofgem in relation to any aspect of the EPQ Document or the information provided in the IM. All such clarifications are to be made via the messaging area of the portal and must be made no later than **16 December 2026** to ensure a response is provided.

5. Bid Submission Deadline

The deadline for EPQ submissions is **14 January 2027 by 12:00. Late submissions of bids will not be accepted.**
