Making a positive difference for energy consumers

Consent given by the Gas and Electricity Markets Authority pursuant to Standard Condition 9 (Claims for Last Resort Supply Payment) of the Gas Supply Licence granted or treated as granted under section 7A of the Gas Act 1986 to British Gas Trading Limited.

To: British Gas Trading Limited (Company Number: 03078711)

Whereas:

A. **British Gas Trading Limited** (the "**Licensee**") is the holder of a gas supply licence (the "**Licence**") granted or treated as granted under section 7A of the Gas Act 1986.

B. On **4 April 2025** the Gas and Electricity Markets Authority (the "**Authority**") issued the Licensee with a direction(s) to supply gas to the customers of:

(a) Rebel Energy Supply Limited (Company Number: 10767623)

with effect on and from **6 April 2025** under Standard Condition 8.1 of the Licence (the "**Last Resort Supply Direction**").[1]

C. On **1 December 2021** the Authority published its decision to introduce a temporary multi-claim process for claims under Standard Condition 9 of the Licence for a Last Resort Supply Payment.[2] The Authority subsequently modified the Standard Conditions of the Licence to make the multi-claim process permanent.

D. On **3 June 2026** the Licensee gave notice to the Authority under Standard Condition 9.3 of the Licence of its claim for a payment to compensate for additional costs it incurred in complying with a Last Resort Supply Direction.

E. Standard Conditions 9.5 and 9.6 of the Licence state that the Authority will give its consent for the Licensee to make the claim notified to it if it considers it appropriate in all the circumstances of the case or the Authority may determine that an amount other than the one calculated by the Licensee is a more accurate calculation of the relevant amount for the Last Resort Supply Payment.

F. The Authority consulted on its determination of the amount it considered appropriate for the Licensee to recover.

G. The Authority has made a decision on the relevant amount it will consent for the Licensee to recover as a Last Resort Supply Payment, taking into account the evidence provided by the Licensee in support of the claim and representations made by interested parties. The reasons for the Authority's decision can be found in its decision document.

Therefore:

H. Pursuant to Standard Condition 9.5 of the Licence, the Authority hereby consents for the Licensee to claim for a Last Resort Supply Payment of up to **£3,157,616.54** from the relevant gas transporters, as set out in Schedule 1, subject to the following conditions:

[1] Appointment of British Gas Trading Limited as Gas Supplier of Last Resort to Rebel Energy Ltd | Ofgem

II. provide any supporting confirmation, information or evidence (such information or evidence to be for the purposes of and in accordance with SLC 5) requested by the Authority in respect of such recalculation;

J. This consent shall take effect on and from **23 October 2026.**
