11th September 2026

Dear RIO3 Team,

RE: Response to the statutory consultation on modifications to Independent Gas Transporter licence conditions for the Relative Price Control

ESP agrees that the drafting of the revised Licence conditions, published alongside the statutory consultation, meet the intent of the Policy Decision on future RPC charging arrangements. ESP supports the introduction of the clarified reporting guidelines for IGTs.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'V Spiers'.

Vicki Spiers
Regulations Director
