NOTICE UNDER STANDARD CONDITION 48 OF THE STANDARD LICENCE CONDITIONS FOR ELECTRICITY SUPPLIERS

The Gas and Electricity Markets Authority (“the Authority”) hereby gives notice pursuant to paragraph 12 of standard licence condition 48 (“the Condition”) of the standard licence conditions for electricity suppliers as follows:

1. Under paragraph 12 the Condition shall cease to have effect on 31 March 2002 (“the termination date”).
2. The Authority may, after consultation with all electricity suppliers in whose supply licence the standard conditions in Section C have effect and the Consumer Council and such other persons or bodies as in the opinion of the Authority are representative of those likely to be affected, publish a notice that the development of competition in electricity supply is such as to require the continuation of any part of the Condition until such date not later than two years from the termination date as may be specified (“the new termination date”).
3. The Authority consulted on 14 February 2002 with all licensed suppliers in whose supply licence the standard conditions in Section C have effect, the Consumer Council and other persons or bodies likely to be affected.
4. The Authority has considered any representations or objections duly made and not withdrawn and considers the development of competition in electricity supply to be such as to require the Condition to continue in its entirety.
5. The new termination date of 31 March 2004 shall be substituted for the termination date.
6. This notice shall come into effect on 26 March 2002.
