

East Midlands Electricity Distribution plc

DETERMINATION UNDER PARAGRAPH 7 OF SPECIAL CONDITION G OF THE DISTRIBUTION LICENCE

Whereas:

1. East Midlands Electricity Distribution plc (“the Licensee”) is the holder of a licence (“the Licence”) treated as granted under section 6(1)(c) of the Electricity Act 1989 (“the Act”) to distribute electricity for the purpose of giving a supply to any premises or enabling a supply to be so given in its authorised area for the term and upon the conditions specified in the Licence;
2. The examiner (Mott MacDonald and British Power International) found that the the Licensee’s data for both the number and duration of interruptions were not below the minimum overall and LV levels of accuracy specified in the Regulatory Instructions and Guidance (“the RIGs”). Accordingly, no action was necessary under paragraph 8 of Special Condition G (“the Condition”) of the licence.
- 3.. The Authority determines in respect of the Licensee under paragraph 7 of the Condition that:
 - (1) the value of $CIIS_t$ in respect of the year commencing on 1 April 2001 is less than TA_t in respect of the relevant year commencing on 1 April 2004 in Annex A; and
 - (2) the value of $CMLIS_t$ in respect of the year commencing on 1 April 2001 is greater than TB_t in respect of the relevant year commencing on 1 April 2004 in Annex A;
 - (3) the target TA_t in respect of the years specified in paragraph 7 of the Condition shall therefore be 81.3
 - (4) the target TB_t in respect of the years specified in paragraph 7 of the Condition shall therefore be 92.73

and Annex A shall be modified accordingly.
