- 2.3 The following additional provisions shall apply in respect of the **Consents** and <u>Construction</u> Works:-
 - 2.3.1 All dates specified in this Construction Agreement are subject to the <u>System Operator</u> obtaining Consents for the <u>Construction Works</u> in a form acceptable to it within the time required to carry out the <u>Construction</u> Works in accordance with the <u>Construction</u> Programme.
 - 2.3.2 In the event of:-
 - (a) the Consents not being obtained by the required date; or
 - (b) the **Consents** being subject to conditions which affect the dates; or
 - (c) <u>the System Operator</u> wishing to amend the <u>Construction</u> Works to facilitate the granting of the Consents,

the System Operator shall be entitled to revise the <u>Construction</u> Works (and as a consequence Appendix A to the Bilateral Connection Agreement) and all dates specified in this Construction Agreement and the charges specified in Appendix B to the Bilateral Connection Agreement. For the avoidance of doubt such revisions shall be at <u>the System Operator's</u> absolute discretion and the consent of the User is not required.

2.3.3 The User shall be regularly updated by the System Operator in writing+ - or by such other means as the parties may agree as to progress made by the System Operator from time to time in the obtaining of relevant Consents pursuant to its obligations under Clause 2.2 or 2.3 of this Construction Agreement.

- 2.4.1 The User shall be liable to pay to the System Operator:-

in seeking and obtaining the **Consents** the subject of Clause 2.2 of this **Construction Agreement** excluding any costs associated with the **Seven Year Statement Works** and the works specified in Part 2 of Appendix H.

The **User** acknowledges these out of pocket ancillary expenses may include planning inquiries or appeals and the capital costs together with reasonable legal and surveyors costs of landowners or occupiers in acquiring permanent easements in respect of any electric line or underground cable forming part of the <u>Connection Asset Works</u>. This sum shall not include any capital costs incurred by <u>the System</u> <u>Operator or any Transmission owner</u> in the acquisition by it of the freehold of any land upon which a land charge is payable. <u>The System</u> <u>Operator</u> shall keep the **User** informed of the level of such charges and expenses being incurred. The **User** shall pay such sums within 28 (twenty eight) days of the date of <u>the System Operator's</u> invoice therefor.

- 2.4.2 Paragraphs 11.2.3 to 11.2.5 of the **CUSC** relating to **Consents** shall apply to the **Construction Agreement** as if set out here in full.
- 2.5 Prior to the commencement of the <u>Connection</u> Asset Works the User shall have the right to terminate this **Construction Agreement** upon giving not less than 7 (seven) days notice in writing to the System Operator. In the event of , the User terminating this Construction Agreement in terms of this Clause 2.5 the User shall in addition to the payments for which it is liable under Clause 2.4 hereof be liable to pay to the System Operator a sum equal to the System Operator's estimate or if applicable revised estimate of Final Sums. The **User** shall pay such sums within 14 (fourteen) days of the date of the System Operator's invoice(s) therefor on termination where applicable the System Operator shall disconnect the User's Equipment at the Connection Site and the System Operator and the User shall by arrangement between them remove any of the User's Equipment and Connection Assets on the other party's or the relevant Transmission Owner's land within 6 months of the date of termination or such longer period as may be agreed between the System Operator and the User.
- 2.6 If the User fails to obtain all Consents for the User's Works having complied with the obligations in Clause 2.2 of this Construction Agreement the obligation on the User to complete the User's Works shall cease and the User may by written notice to the System Operator terminate this.

- 2.10 Not later than six months prior to the Commissioning Programme Commencement Date the System Operator shall provide the User with a draft Commissioning Programme for the Commissioning of the Connection Assets, and the User's Equipment. The User shall, as quickly as practicable and in any event within three months of receipt thereof, determine whether or not to approve the proposed Commissioning Programme (which approval shall not be unreasonably withheld or delayed) and shall within such three month period either notify the System Operator of its approval or, in the event that the **User** reasonably withholds its approval, notify the System Operator of any changes or variations to the proposed commissioning programme recommended by the User. If the System Operator does not accept such changes or variations submitted by the User any dispute shall be referred to the **Independent Engineer** for determination. The **Commissioning Programme** agreed between the parties or determined by the **Independent Engineer** as the case may be shall be implemented by the parties and their sub-contractors in accordance with its terms.
- 2.11 If at any time prior to the Completion Date it is necessary for the System Operator or the System Operator in its reasonable discretion wishes to make any addition to or omission from or amendment to the Connection Asset Works and/or Reinforcement Works and/or the One Off Works and/or the Third Party Works the System Operator shall notify the User in writing of such addition, omission or amendment and Appendices [B1 (One Off Works), G (Connection Asset Works) H (Reinforcement Works) and N (Third Party Works)] to this Construction Agreement and consequently Appendices [A (Connection Assets) and B (Connection Charges, One Off Charges and Land Charges)] to the associated Bilateral Connection Agreement shall be automatically amended to reflect the change.

Once the new date or dates are fixed the **Construction Programme** and/or **Commissioning Programme** shall be deemed automatically amended as appropriate.

4. COMMISSIONING PROGRAMME AND LIQUIDATED DAMAGES

- **4.1** Each party shall give written notice to the other declaring its readiness to commence the **Commissioning Programme** when this is the case.
- **4.2** The **Commissioning Programme** shall commence forthwith once both parties have given written notice to the other under Clause 4.1.
- **4.3** The **Works** shall be deemed to have been **Commissioned** on the date that the **Independent Engineer** certifies in writing to that effect.
- 4.4 In the event that the actual date of commencement of the Commissioning Programme is later than the Commissioning Programme Commencement Date the System Operator (if and to the extent that it is responsible for delayed commissioning beyond the Commissioning Programme **Commencement Date**, such responsibility and/or its extent to be determined by the **Independent Engineer** failing agreement between the parties) shall be liable to pay to the User Liquidated Damages for each day that the actual date of commencement of the **Commissioning Programme** is later than the Commissioning Programme Commencement Date. - **4.6** Liquidated Damages payable under Clauses 4.4 and 4.5 of this Construction Agreement shall accumulate on a daily basis but shall be payable calendar monthly. On or before the 15th day of each month the party entitled to receive the payment of Liquidated Damages shall send to the other party a statement of the Liquidated Damages which have accrued due in the previous calendar month. The party receiving such statement shall in the absence of manifest error pay the Liquidated Damages shown on the statement within 28 days of the date upon which the statement is received.
- 4.7 Without prejudice to and in addition to the obligation of the User pursuant to Clause 2.4 of this Construction Agreement, the payment or allowance of Liquidated Damages pursuant to this Clause 4 shall be in full satisfaction of the System Operator's liability for failure to perform its obligations by the Commissioning Programme Commencement Date and/or the Completion Date as appropriate.
- In the event that the **User** shall have failed, in circumstances not entitling it to 4.8 the fixing of a new date as the Commissioning Programme Commencement Date pursuant to Clause 3.2, to complete the User's Works by [] to a stage where the **User** is ready to commence the **Commissioning** Programme, the System Operator shall have the right to terminate this Construction Agreement upon giving notice in writing to the User. In the event of such termination the User shall in addition to the amounts for which it is liable under Clause 2.4 to this Construction Agreement be liable to the System Operator to pay to the System Operator a sum equal to the System **Operator's** estimate or revised estimate of **Final Sums**. The **User** shall pay such sums within 14 (fourteen) days of the date of the System Operator's invoice(s) therefor and on termination (where applicable) the System **Operator** shall disconnect the **User's Equipment** at the **Connection Site** and the **System Operator** and the **User** shall by arrangement between them remove any of the User's Equipment and Connection Assets on the other party's or the relevant Transmission Owner's land land within 6 months of the date of termination or such longer period as may be agreed between the System Operator and the User.

DRAFT GB CUSC V1.0 Based on Schedule 2 Exhibition 3 of CUSC version 1.1 submitted by the **User** shall in addition contain relevant **Connected Planning Data** and a report certifying to <u>the **System Operator**</u> that, to the best of the information, knowledge and belief of the **User**, all relevant **Connection Conditions** applicable to the **User** have been considered and complied with. If <u>the **System Operator**</u> considers that it is necessary, it will require this latter report to be prepared by the **Independent Engineer**. The report shall incorporate if requested by <u>the **System Operator**</u> type test reports and test certificates produced by the manufacturer showing that the **User's Equipment** meets the criteria specified in CC6.

- 5.6 If embedded not later than 3 months prior to the Charging Date or by such other time as may be agreed between the Parties the User shall submit to the <u>System Operator</u> a statement of readiness to use the <u>Transmission System</u> together with Connected Planning Data and a report certifying to the <u>System Operator</u> that, to the best of the information, knowledge and belief of the User:-
 - (i) all relevant **Connection Conditions** applicable to the **User** have been considered;
 - (ii) CC 6 insofar as it is applicable to the **User** has been complied with; and
 - (iii) the site-specific conditions set out in Appendices [F1, F3, F4] and [F5] to the **Bilateral Embedded Generation Agreement** have been complied with.
 - If <u>the System Operator</u> considers that it is necessary, it will require this report to be prepared by the **Independent Engineer**. The report shall incorporate if requested by <u>the System Operator</u> type test reports and test certificates produced by the manufacturer showing that the **User's Equipment** meets the criteria.

6. INDEPENDENT ENGINEER

The parties agree and shall procure that the **Independent Engineer** shall act as an expert and not as an arbitrator and shall decide those matters referred or reserved to him under this **Construction Agreement** by reference to **Good Industry Practice** using his skill, experience and knowledge and with regard to such other matters as the **Independent Engineer** in his sole discretion considers appropriate. All references to the **Independent Engineer** shall be made in writing by either party with notice to the other being given contemporaneously as soon as reasonably practicable and in any event within 14 days of the occurrence of the dispute to be referred to the **Independent Engineer**. The parties shall promptly supply the **Independent Engineer** with such documents and information as he may request when considering such

DRAFT GB CUSC V1.0 Based on Schedule 2 Exhibition 3 of CUSC version 1.1 question. The **Independent Engineer** shall use his best endeavours to give his decision upon the question before him as soon as possible following its referral to him. The parties shall share equally the fees and expenses of the **Independent Engineer**. The parties expressly acknowledge that submission of disputes for resolution by the **Independent Engineer** does not preclude subsequent submission of disputes for resolution by arbitration as provided for in the **Dispute Resolution Procedure**. Pending any such submission the parties shall treat the **Independent Engineer**'s decision as final and binding.

7. BECOMING OPERATIONAL

- 7.1 If directly connected to the **Transmission System** the **System Operator** shall connect and **Energise** the **User's Equipment** at the **Connection Site** during the course of and in accordance with the **Commissioning Programme** and thereafter upon compliance by the **User** with the provisions of Clause 5 and provided (1) the **Construction Works** excluding the **Seven Year Statement Works** shall be **Commissioned** and (2) the **Seven Year Statement Works** and **Third Party Works** shall be completed the **System Operator** shall forthwith notify the **User** in writing that the **Connection Site** shall become **Operational**.
- 7.2 If Embedded upon compliance by the User with the provisions of Sub-Clauses 4.1, 4.2 and 4.3 and subject, if <u>the System Operator</u> so requires, to the **Reinforcement Works** [and/or works for the Modification] being carried out and/or the [New] Connection Site being Operational (any or all as appropriate) <u>the System Operator</u> shall forthwith notify the User ("Operational Notification") in writing that it has the right to use the **Transmission System**. It is an express condition of this Construction Agreement that in no circumstances, will the User use or operate the User's Equipment without receiving the Operational Notification from <u>the System</u> Operator.
- 7.3 If, on completion of the User's Works in accordance with the terms of this Construction Agreement the Registered Capacity of the User's Equipment is less than []MW, the System Operator shall automatically have the right to amend Clause 7 and Appendix C to the Bilateral Connection Agreement to reflect the actual Registered Capacity of the User's Equipment.

8. COMPLIANCE WITH SITE SPECIFIC TECHNICAL CONDITIONS

The User shall ensure that on the Completion Date the User's Equipment complies with the site specific technical conditions set out in Appendix F 1-5 to the Bilateral Connection Agreement .

DRAFT GB CUSC V1.0 Based on Schedule 2 Exhibition 3 of CUSC version 1.1 Alternate provisions apply depending whether or not the **User** does (9A) or does not (9B) meet the **System Operator's** required credit rating on signing the **Construction Agreement.** Details of the credit requirements are set out in the **CUSC**.

9A1 PROVISION OF SECURITY

- 9A.1.1 The User shall as soon as possible after execution of this Construction Agreement and in any event no later than one (1) month after the date of such execution confirm to the System Operator whether it meets the the System Operator Credit Rating. Thereafter not less than 75 days before 1 April and 1 October in each year until (subject to Clause 9A.4) 28 days after the Charging Date the User shall confirm its System Operator Credit Rating to the System Operator (which in the case of a long term private credit rating shall be confirmed by Standard and Poor's or Moody's within a period of 45 days prior to the date of confirmation). The User shall inform the System Operator in writing forthwith if it becomes aware of losing its System Operator reasonable cause to believe that the User may not be able to sustain its System Operator Credit Rating for at least 6 months.
- 9A.1.2In the event that the **User** has elected to provide <u>the System Operator</u> with an indicative credit rating and <u>the System Operator</u> is of the reasonable opinion that the **User** has ceased to comply with the requirements of Clause 9A.1.1 then <u>the System Operator</u> may require the User forthwith:-
 - (i) to apply to Standard and Poor's and/or Moody's for a further indicative long term private credit rating; or
 - (ii) to confirm to <u>the System Operator</u> that it shall provide the security referred to in Clause 9A.1.4 hereof.

9A.1.3In the event of the User:-

- (i) not having a, System Operator Credit Rating; or
- (ii) having a credit rating below the <u>System Operator</u> Credit Rating; or
- (iii) not having obtained from Standard and Poor's or Moody's within 30 days of the written notification under Clause 9A.1.2 above an indicative long term private credit rating,

or if the System Operator becomes aware that:

- (iv) the User ceases to have a, System Operator Credit Rating; or
- (v) the User is put on credit watch or other similar credit surveillance procedure as specified above which may give <u>the System Operator</u> reasonable cause to believe that the User may not be able to maintain, <u>the System Operator</u> Credit Rating for at least 6 months; or
- (vi) the User has not obtained from Standard and Poor's within 30 days of the written notification by <u>the System Operator</u> under Clause 9A.1.2(i) above a further indicative long term private credit rating,

the **User** shall (where appropriate on receipt of written notification from <u>the **System Operator**</u>) comply with the terms of Clause 9A.1.4.

- 9A.1.4The User shall within 21 days of the giving of a notice under Clause 9A.1.3 or within 30 days of the User confirming to the System Operator under Clause 9A.1.2(ii) that it will provide the security specified below (whichever is the earlier), provide the System Operator with the security specified below to cover the User's payment obligations to the System Operator arising in the event of, or which have arisen prior to, termination of this Construction Agreement. The security to be provided shall be in an amount not greater than such sums payable on termination and specified in writing by the System Operator to the User from time to time as appropriate. Such security shall be provided by way of:-
 - (i) an irrevocable on demand standby Letter of Credit or guarantee; or
 - (ii) cash held in escrow [Escrow Account/ Bank Account]; or
 - (iii) any other form included in <u>the System Operator</u>'s then current policy and procedure

such letter of credit or guarantee or security to be in a form agreed in writing by <u>the System Operator</u> and to be given by a **Qualifying Bank**, or **Qualifying Company**. Cash deposited in [escrow] shall be deposited with a **Qualifying Bank**. The choice of such security shall be at the discretion of the **User**.

9A.1.5The User shall in addition to providing the requisite security enter into an agreement with <u>the System Operator</u>, which shall be supplemental to this Construction Agreement (the "Amending Agreement"). The Amending Agreement shall be in such form as <u>the System Operator</u> shall reasonably require and shall contain such provisions in relation to the User's obligations to provide and maintain security as shall be consequential upon the requirement for security having arisen, in line with <u>the System Operator</u>'s then *form*.

DRAFT GB CUSC V1.0 Based on Schedule 2 Exhibition 3 of CUSC version 1.1 current provisions to the like effect in its agreements with other parties. The **Amending Agreement** shall relate to the procedures required in obtaining and maintaining the security and shall not alter or amend the amount of security required in terms of this **Construction Agreement**.

- 9A.1.6In the event of <u>the System Operator</u>'s credit requirements being reviewed at any time <u>the System Operator</u> shall advise the **User** in writing of the new credit requirements and the **User** shall within 30 days of such notification confirm in writing to <u>the System Operator</u> whether it wishes to enter into an **Amending Agreement** to reflect the new credit requirements. Thereafter if the **User** has confirmed it wishes to accept the new credit requirements <u>the</u> <u>System Operator</u> and the **User** shall within 30 days of such notification enter into an **Amending Agreement**.
- 9A.1.7 In the event that the facts or circumstances giving rise to the obligations of the **User** to provide the security have ceased, then <u>the **System Operator**</u> shall release the security and provisions to that effect shall be included in the **Amending Agreement**.

Final Sums

- 9A.2 Within 60 days of the date of termination of this **Construction Agreement** <u>the</u> <u>System Operator</u> shall:
 - furnish the User with a further statement showing a revised estimate of Final Sums and will provide as soon as practicable evidence of such costs having been incurred; and
 - (b) by written notice to the User inform the User of all capital items which cost <u>the System Operator</u> in excess of £10,000 and in relation to which an amount on account of Final Sums shall have been paid and whether <u>the System Operator</u> (1) wishes to retain the said capital items or (2) dispose of them.
- 9A.3.1In respect of all capital items which <u>the System Operator</u> wishes to retain (other than those which have been, or are proposed to be installed as a replacement for <u>the System Operator Plant</u> and <u>Apparatus</u>) <u>the System</u> <u>Operator</u> shall forthwith reimburse to the <u>User</u> the amount paid by the <u>User</u> on account of <u>Final Sums</u> in respect of the said capital items (including without limitation the amount paid on account of the design, purchase, installation and testing of the said capital item and also associated construction works and interest charges) together with interest calculated thereon on a daily basis from the date of termination of this <u>Construction Agreement</u> to the date of payment at <u>Base Rate</u> for the time being and from time to time provided that in the event that <u>the System Operator</u> wishes to retain any capital item which has been installed but wishes to remove it to storage or to

9B.1 Provision of Security

- 9B.1.1The User hereby agrees that it shall forthwith upon the signing of this Construction Agreement provide to the System Operator or procure the provision to the System Operator of, and the User shall until (subject to Clause 9B.8) 28 days after the Charging Date (unless and until this Construction Agreement shall be terminated and all sums due or which will or might fall due in respect of which security is to be provided shall have been paid) maintain or procure that there is maintained in full force and effect (including by renewal or replacement), a security arrangement from time to time and for the time being as set out in Appendix M hereto to provide security for the User's obligation to pay the System Operator any and all sums specified by the System Operator in accordance with Clause 9B.2 of this Construction Agreement as requiring to be secured in respect of:
 - the User's liability to pay the System Operator amounts from time to time due under Clause 2.4 of this Construction Agreement; and

DRAFT GB CUSC V1.0 Based on Schedule 2 Exhibition 3 of CUSC version 1.1 other expenses in relation to seeking **Consents** referred to in Clause 2.4 of this **Construction Agreement** at the following times and in respect of the following periods:-

- (a) forthwith on and with effect from the signing of this Construction Agreement, in respect of the period from and including the day of signing of this Construction Agreement until the next following 31st March or 30th September (whichever shall first occur); and
- (b) not less than 75 (seventy five) days (or if such day is not a Business Day the next following **Business Day**) prior to each 31st March and 30th September thereafter in respect of the period of six calendar months commencing on the immediately following 1st April or 1st October (as the case may be), until this **Construction Agreement** shall be terminated and all sums due or which will or might fall due in respect of which security is to be provided shall have been paid.
- 9B.2.2Such **Bi-annual Estimate** shall be accompanied by a statement (in the form of the **Secured Amount Statement** set out in Part 3 of Appendix M to this **Construction Agreement**) ("**Secured Amount Statement**") specifying the aggregate amount to be secured at the beginning of and throughout each such period.
- 9B.2.3If the System Operator shall not provide any subsequent Bi-annual Estimate and Secured Amount Statement by the requisite date, then the **User** shall at the date it is next required to have in full force and effect security and whether by renewal or replacement or otherwise in respect of the following six calendar month period nonetheless provide security in accordance with the provisions of this Construction Agreement in the same amount as the amount then in force in respect of the then current six calendar month period. Notwithstanding the foregoing, if the System Operator shall provide the User with any Bi-annual Estimate and Secured Amount Statement later than the date specified in Clause 9B.2.1 of this Construction Agreement, then the following shall apply. The User shall within 30 (thirty) days of receipt of the said Secured Amount Statement procure that to the extent that the amount in respect of which security has been or is to be provided pursuant to this Clause 9B.2.3 in respect of the relevant period ("the Secured Amount") falls short of the amount stated in the Secured Amount Statement ("the Required Amount") the Secured Amount shall be adjusted to the Required Amount.

The System Operator shall also be entitled to send the **User** further invoices for such sums not covered in previous invoices. The User shall pay the System Operator all sums so invoiced by the System Operator.

9B.4 Demands not Affected by Disputes

It is hereby agreed between the System Operator and the User that if there shall be any dispute between the User and the System Operator as to:-

- 9B.4.1any amount certified by the System Operator in any Secured Amount Statement as requiring at any time and from time to time to be secured; or

10. EVENT OF DEFAULT

As before alternate provisions apply depending whether or not the User does (10A) or does not (10B) meet the System Operator's required credit rating on signing this Construction Agreement

10A. Event of Default

Any of the following events shall constitute an Event of Default:-

- 10A.1 If the **User** fails to provide or procure that there is provided to <u>the System</u> <u>Operator</u> within the requisite time any relevant security satisfactory to <u>the</u> <u>System Operator</u>, or to enter into the **Amending Agreement** pursuant to Clauses 9A.1 or 10A.3 of this **Construction Agreement**.
- 10A.2 If having entered into the **Amending Agreement** and having provided security satisfactory to <u>the System Operator</u> pursuant to Clauses 9A.1 and 10A.3 of this **Construction Agreement**.
 - (a) The User thereafter fails to provide or procure that there is provided to the System Operator or at any time fails to maintain or procure that there is maintained in full force and effect the relevant security arrangement required by this Construction Agreement as varied by the Amending Agreement or to revise or renew such security with the required replacement security or to maintain or procure that there is maintained in full force and effect any such renewed, revised or substituted security as so required, or if the User shall otherwise be in breach of any of its obligations in respect of security under this Construction Agreement as varied by the Amending Agreement;
 - (b) The User or any shareholder (whether direct or indirect) of the User or any other party who may at any time be providing security to <u>the</u> <u>System Operator</u> pursuant to the requirements of this Construction Agreement as varied by the Amending Agreement takes any action whether by way of proceedings or otherwise designed or calculated to prevent, restrict or interfere with the payment to <u>the System Operator</u> of any amount so secured whether or not there shall be a dispute between the parties;
 - (c) Any party who may at any time be providing security to <u>the System</u> <u>Operator</u> pursuant to the provisions of this Construction Agreement

10A.3 If

- (i) There is a material adverse change in the financial condition of the User such as to give the System Operator reasonable grounds for concluding that there is a substantial probability that the User will default in the payment of any sums due or to become due to the System Operator within the next following period of twelve (12) months in terms of or on termination of this Construction Agreement; or
- (ii) an event of default has occurred under any banking arrangements (as such may be more particularly described in the **Bilateral Connection Agreement**) (an event of default being any event described as such in the banking arrangements)] put in place by the **User** in connection with a project for which security under this Clause 10A is required by <u>the System Operator</u> and as a result the banks who are party to such banking arrangement have taken steps to declare the principle of the advances under such arrangement immediately due and payable; or
- (iii) any other indebtedness of the User for the repayment of borrowed money (in a principal outstanding amount of not less than £1,000,000 pounds sterling or such greater amount specified in the Bilateral Connection Agreement) has become due and payable prior to the stated date of maturity thereof by reason of any default or breach on the part of the User and the amount in question has not been paid by the User or refinanced within a period of 28 days following the date upon which it was so declared due and payable

and in (i) or (ii) or (iii) the **User** fails, within a period of 7 (seven) days following the date on which <u>the System Operator</u> gives the **User** notice in writing of one or other of the above events occurring to provide <u>the System Operator</u> with such security as <u>the System Operator</u> shall require to cover the **User's** payment obligations to <u>the System Operator</u> arising in the event of or which have arisen prior to termination of this **Construction Agreement** and which arise under this **Construction Agreement**. The security to be provided shall be in a form satisfactory to <u>the System Operator</u> in accordance with its then current policy and procedures and in such amount as <u>the System Operator</u> shall specify to the **User** in the aforesaid notice. The **User** shall if required by the **System Operator**, in addition to providing the requisite security, within a period of 30 days following the date on which <u>the System Operator</u> gives the **User** such notice enter into an **Amending Agreement**. Such **Amending Agreement** shall contain such provisions in relation to the **User**'s obligations to provide and maintain security as shall be consequential upon the

3. GENERAL PROVISIONS

- 3.1 Any Notice of Drawing to be delivered to Barclays Bank PLC or any other bank at which the Bank Account shall have been opened or a Qualified Bank or a Qualified Company may be delivered by hand, by post or by facsimile transmission.
- 3.2 If the User becomes aware that the bank issuing the Performance Bond or Letter of Credit ceases to be a Qualified Bank or that the company

giving the Performance Bond ceases to be a Qualified Company, the User shall so notify the System Operator in writing as soon as it becomes so aware. If the System Operator becomes aware that the bank issuing the Performance Bond or Letter of Credit ceases to be a Qualified Bank or that the company giving the Performance Bond ceases to be a Qualified Company, the System Operator may notify the User to that effect in writing. Where the bank or the company so ceases to be either a Qualified Bank or a Qualified Company (as the case may be) as a consequence of the System Operator having reasonable cause to doubt the continued rating of the said bank or company, such notice shall be accompanied by a statement setting out the System Operator's reasons for having such doubt. The User shall within 21 days of the giving of such notice by the System Operator or the User whichever is the earlier provide a replacement Performance Bond and/or Letter of Credit from a Qualified Bank or Qualified Company, as the case may be, and/or provide a cash deposit in the required amount in a Bank Account. From the date the replacement Performance Bond or Letter of Credit or Bank Account cash deposit is effectively and unconditionally provided and Valid, the System Operator will consent in writing to the security which it replaces being released.

- 3.3 The following provisions shall govern the issuance, renewal and release of the Performance Bond or Letter of Credit:-
- 3.3.1 The Performance Bond or Letter of Credit shall be Valid initially from the signing of this Construction Agreement at least to and including the following 31st March or 30th September whichever is the earlier date. Such Performance Bond or Letter of Credit shall be for an amount not less than that stated in the Secured Amount Statement as the amount of the User's Obligation to be secured during the period specified in the Secured Amount Statement.
