Dear Bridget,

**GB Grid Code: Operating Codes 8 and 11 and Balancing Codes**

EDF Energy welcomes the opportunity to comment on this Ofgem/DTI mini consultation on the GB Grid Code - Operating Codes 8 and 11 and Balancing Codes.

We have reviewed the proposed text for these sections of the GB Grid Code and do not wish to raise any specific issues on the proposed changes or regional differences.

If you have any queries please do not hesitate to contact either Rupert Judson on 020 7752 2526 or myself.

Yours sincerely

**Tony Diccio**  
**Head of Regulation & Market Infrastructure**
