Dear Mr Simpson

Proposed Modification of Standard Licence Condition.

I refer to the Notice under section 23(3) of the Gas Act 1986 served by the Authority on our subsidiary, North Sea Gas Limited, on 30 April which proposes to amend that company's licence by adding a new condition 34A.

The proposed amendment relates, as I understand it, to arrangements for domestic suppliers. Since North Sea Gas Limited does not make domestic supplies it seems inappropriate for this amendment to be made to its licence. I therefore enclose a notice of objection.

If you wish to discuss this please do not hesitate to call me, my mobile number is:

07960 900875

Yours sincerely

John Stubbs
