

Agency Workgroup Next Steps

DISG Update 8 June 04

Introduction

- Status of AWG
- SPA working group key issues
- SPA reform – key considerations
- SPA working group next steps

Status of AWG

- Completed analysis of NGT's agency model (option A)
- Compiled list of agency and non agency services and identified for each service:
 - whether services are governed/ungoverned
 - responsibility for providing service i.e DN, Agency
 - provider of service – Agency, NT, DN
 - whether services are subject to stds of service

SPA workgroup key issues

- Ensuring that all SPA services are encompassed by the agency
 - including services that are currently 'ungoverned'
- Governance arrangements to support SPA processes and ungoverned services – SPAA ??
- SPA reform

Future work programme

- Developing arrangements to ensure the continuation of 'ungoverned' services
- Agency decision document way forward section set out SPA reform programme – key issues:
 - Agency funding for SPA services – ABC analysis
 - Governance for SPA services and ungoverned services (SPAA)
 - Ownership of Agency for SPA purposes – supplier involvement ??

Next steps

- 14th June next meeting – planning session
- Map out future work programme
- Update DISG
- Go forth
