Subject: Ofgem's three year strategy 2004-08

Andy, thank you for including the ORR in the consultation on your three year strategy 2005-08. Whilst we have no comments on the specific issues raised in your letter of the 5th August, we do however recognise the challenging agenda faced by ofgem along with other regulatory bodies over the coming years. The ORR appreciated the opportunity to consider your plan as it does with those of other regulators. They are always useful as part of the research process in the development of our own plan, its priorities and outputs. Regard
David Kingsnorth
