

**Standard Special Condition A[ ]C](Joint Governance Arrangements)**

1. The licensee shall:
  - (a) together with the other relevant gas transporters, establish and operate arrangements (**Joint Governance Arrangements**) for:
    - (i) the administration of the network code modification procedures;
    - (ii) [the administration of the offtake code modification procedures;]
    - (iii) giving effect to the provisions of Standard Special Condition A[ ](Charging of Gas Shippers – General) and Standard Special Condition A[ ] (Obligations as Regard Charging Methodology) relating to the administering of the coordination of the modification of the licensee's and the other relevant gas transporters' respective charges or reserve prices or charging methodologies (as the case may be);
    - (iv) the management of the common systems arrangements referred to in paragraph [17] of Standard Special Condition A[ ] [A](Network Code);
    - (v) the administration of such matters as are provided in the Uniform Network Code to be implemented by the relevant gas transporters on a common, joint or coordinated basis;
    - (vi) [*other specific things?*]; and
    - (vii) such other matters as they may decide;
  - (b) enter into an agreement (**JGA Agreement**) [in a form approved by the Authority] with the other relevant gas transporters, providing for the establishment and operation of the Joint Governance Arrangements
  - (c) provide or cause to be provided to the Authority a copy of the JGA Agreement and each amendment thereof.
2. The Joint Governance Arrangements shall be such as are calculated, consistent with the efficient discharge of each relevant gas transporter's obligations under its respective licence:
  - (a) to ensure compliance with the network code modification procedures [and the offtake code modification procedures];
  - (b) so far as consistent with paragraph (a), to promote efficiency in the administration of the network code modification procedures and the offtake code modification procedures and the other matters subject to the Joint Governance Arrangements; and

- (c) to avoid undue discrimination or preference as between the relevant gas transporters.
- 3. The licensee shall not make or permit any amendment of the JGA Agreement:
  - (a) unless the proposed amendment has been submitted to the Authority, or
  - (b) if, within a period of 30 days after the submission of the proposed amendment to the Authority under sub-paragraph (a), the Authority directs the licensee not to make or permit the amendment.
