

DN Sales Agent Workgroup Meeting 11

12 July 2004

Summary of Actions

1. NGT to respond to Ofgem legal about agency acts, omissions and defaults (action to be taken forward by DISG – update to be given to SPAWG).
2. Ofgem to circulate NGT's papers on short form network codes and UNC governance (following presentation to DISG).
3. NGT to clarify how the user group will fit in with existing NGT forums.
4. NGT to confirm whether shippers are able to amend/modify appended network code documents.
5. Ofgem to amend governed matrix and include mitigating actions and circulate to SPAWG. Workgroup members to consider mitigations and submit to Ofgem to inform SPAWG 12 debate.
6. Ofgem to provide further clarity about the regulatory requirements in event IDNs wish to sell on meter assets (following purchase from NGT).
