

To be inserted in Schedule 1 to Standard Condition C18.

6. Paragraph 7 applies where a person, in respect of an embedded exemptable large power station that he owns or operates:
 - (a) has submitted a BELLA application to the licensee (whether or not the licensee has made an offer in respect of that application and whether or not the person has accepted any such offer); or
 - (b) is to receive an offer (the “original offer”) from the licensee for use of system of the GB transmission system (whether or not the licensee has made an offer and whether or not the person has accepted any such offer).
7. Where, on or before 1 October 2005:
 - (a) in the case of a person to whom paragraph 6(a) applies, such person notifies the licensee that he no longer wishes to enter into and comply with a BELLA, and applies for use of system to the licensee in respect of the embedded exemptable large power station that he owns or operates, or
 - (b) in the case of a person to whom paragraph 6(b) applies, such person notifies the licensee that, in respect of the embedded exemptable large power station that he owns or operates, he no longer wishes an offer for use of system, and submits a BELLA application to the licensee; and
 - (c) in all other respects there are no other changes to:
 - (i) the application to the licensee in respect of the relevant embedded exemptable large power station made by the person who owns or operates that embedded exemptable large power station or any applicant who owns or operates the distribution system to which that embedded exemptable large power station is connected; or
 - (ii) in the case of existing users, matters which will affect the transmission system works contained within the offer as compared to the original offer or any offer to that existing user who owns or operates the distribution system to which the relevant embedded exemptable large power station is connected in respect of that embedded exemptable large power station; and

- (d) there has been no previous notification to the licensee under sub-paragraphs (a) or (b) in relation to that embedded exemptable large power station;

then:

- (i) where paragraph 7(a) applies, the use of system application shall for the purposes of identifying the transmission system works under paragraph 3 of this schedule 1, be ordered in the same position as any application which has been made to the licensee in respect of the relevant embedded exemptable large power station by an applicant who owns or operates the distribution system to which that embedded exemptable large power station is connected or, in the case of an existing user, where offer an offer is to be made to that existing user by the licensee pursuant to standard condition C18 in respect of that embedded exemptable large power station;
- (ii) where paragraph 7(b) applies, any application for connection to the GB transmission system to the licensee in respect of the relevant embedded exemptable large power station by an applicant who owns or operates the distribution system to which that embedded exemptable large power station is connected shall, for the purposes of identifying the transmission system works under paragraph 3 of this schedule 1, be ordered in the same position as the original offer; and
- (iii) the licensee will not be in breach of paragraph 4 of this Schedule 1 when making offers in respect of embedded exemptable large power stations where it has received notification pursuant to sub-paragraphs (a) or (b)

8. In paragraphs 6 and 7, the following terms have the meanings given in the CUSC:

- (a) embedded exemptable large power station
- (b) BELLA;
- (c) BELLA application.
