

For inclusion in the Appendix to the Grid Code General Conditions

GC.A2.12 *Embedded Exemptable Large Power Stations*

This GC.A2.12 shall have effect until and including 31st March 2006.

CC6.3.2, CC6.3.7, CC8.1 and BC3.5.1 shall apply to a **User** who owns or operates an **Embedded Exemptable Large Power Station** except where and to the extent that, in respect of that **Embedded Exemptable Large Power Station**, **NGC** agrees or where the relevant **User** and **NGC** fail to agree, where and to the extent that the **Authority** consents.
