

Cash Out Review Working Group – Tagging 1

21 February 2005, 13:00 -17:00

Location: Ofgem, 9 Millbank, London

AGENDA

- | | |
|---------------|---|
| 13:00 – 13:10 | Key points of the last meeting |
| 13:10 – 13:30 | Revisit assumptions behind NIV tagging:
What are these assumptions? |
| 13:30 – 14:30 | Removing NIV tagging:
How could this work?
What are the advantages/disadvantages of removing NIV tagging?
Are there any merits in further considering this approach? |
| 14:30 – 15:30 | Proportional NIV tagging:
How could this work?
What are the advantages/disadvantages of proportional NIV tagging?
Are there any merits in further considering this approach? |
| 16:30 – 16:30 | Offset NIV tagging:
How could this work?
What are the advantages/disadvantages of offset NIV tagging?
Are there any merits in further considering this approach? |
| 16:30 – 16:45 | Preparation for next 'tagging' meeting:
Agree and assign 'homework' ahead of next meeting |
