

Interim Incremental Exit Capacity Release Statement

Drafting Changes Guide

Classification of Change	Reference in document	Nature of changes made
Class 2	2	Reference to precise definition of NTS Exit Capacity
Class 1	Throughout document	Insertion of “NTS” and capitalisation of “Exit Capacity”. References to NTS Offtake (Flat) Capacity and NTS Offtake (Flexibility) Capacity included where appropriate
Class 2	4	“NTS supply points” replaced with defined term “NTS Exit Points”
Class 1	6	Correction to licence condition references
Class 2	8	Clarification that capacity can be requested by either DNs or Shippers as appropriate. Also, clarification that a part of an incremental capacity request may also be accepted.
