

**UNIFORM NETWORK CODE
DRAFTING CHANGES GUIDE
EXPLANATORY NOTE**

Classification of change	Reference in Section	Nature of changes made
Class 1	No specific paragraph listed as changes made throughout relevant Sections	Replacement of references to Transco with 'the/a Transporter' and references to 'the System' with 'the 'Total System' or 'a System' as appropriate
Class 2	Specific paragraph listed in relevant Section	Amendment to an existing Network Code rule to reflect different Transporters/Systems
Class 3	Specific paragraph listed in relevant Section	New rule (not currently in Network Code) to reflect different Transporters/Systems
Class 4	Specific paragraph listed in relevant Section	Corrections (eg typographical errors, formatting errors, incorrect cross references and removal of text which should have removed following implementation of earlier modification)
Class 5	Specific paragraph references listed in relevant Section	Rule in Network Code repositioned within the same or a different Section of the Uniform Network Code

Note 1 The guides are to assist in reviewing the material changes to the relevant Sections of the Transportation Principal Document, the Modification Rules and the General Terms (which together contain the rules presently found in Transco plc's Network Code).

Note 2 The guides are not intended to be exhaustive in identifying each and every change and the guides should not be relied upon in substitution for reviewing the relevant Section.

Note 3 Where different changes of different classes have been made to the same paragraph in a Section the relevant paragraph is identified against each relevant class.
