Minutes

- 1) Group stepped through the updated Drafting Assessment Document and verified with Ofgem that the conclusions from the latest decision document had been correctly summarised.
- 2) Any issues requiring clarification, which were considered difficult to implement or for which further work would be required before drafting were placed on an Issues List.
- 3) LB agreed to update the Drafting Assessment Document to correct a couple of minor errors and to circulate this along with the Issues List.
- 4) All confirmed that they had received and reviewed the first drafting of the amended schedule 1 of the DUOSA from MH.
- 5) All agreed to forward any suggested amendments to MH by the end of Friday 11th March. MH will endeavour to collate the responses by the end of the following week and to forward to all prior to the next meeting.
- 6) Provisional date for the next meeting agreed as 13th April at 10.30 at Ofgem's offices in Millbank.
- 7) CN suggested that all legal redrafting work should be put out to tender and that Sheperd & Wedderburn and Dundas & Wilson be included in the process. MC supported this view.
