

## SLR Industry Codes Workgroup **Proposed future meeting dates**

**Paper 04/04, 17 February 2006**

The last meeting of the SLR Steering Group considered the proposed timetables of the various SLR workgroups. A provisional work plan was provided for the Industry Codes Workgroup as follows.

The proposed meeting on 17 March was planned to be optional, depending on the progress of the Group in refining its proposals.

<b>Proposed meeting date</b>	<b>Purpose</b>
14 November	Meeting 1 – Review requirement to sign and comply with industry codes
12 December	Meeting 2 – Role of Ofgem in compliance and identification of straw-men industry codes compliance models
16 January	Meeting 3 – Review worked-up straw-men proposals
17 February	Meeting 4 – Further refinement of proposals
17 March*	Meeting 5 – Further refinement of proposals (if required)
5 April*	Meeting 6 – Review draft report to Steering Group
3 May*	Meeting 7 – Review final report to Steering Group

\* subject to agreement by Workgroup.

### **The Group is asked to:**

- **consider the above work plan and agree the future meeting dates, and**
- **consider whether the proposed Meeting 5 will be required to refine the proposals.**
